

Overview

Our flagship property, Holiday Inn Club Vacations® at Orange Lake Resort, is where it all began. Opened in 1982 adjacent to the Walt Disney World Resort®, it has now grown to include four distinct villages with shopping, dining, golf, activities, and more across more than 1,100 acres. And there's always plenty of family fun and excitement waiting just a short drive from our door.

Resort Amenities

- 7 pools, including our signature 1,200- foot lazy river-style pool with waterslides, plus a kids' wading pool and interactive fountains
- 8 restaurant and dining options, from casual take-out to full-service poolside dining
