FAQs

You have 24 months from the date of your Latitudes purchase to take your vacation. All reservations are subject to availability. See your Latitudes agreement for a complete list of terms and conditions.

How do I make a reservation?

Call a Reservation Specialist at 888-706-6370

How far in advance should I call to make a reservation?

The earlier the better to ensure the best availability. And remember, a reservation can be made only after the receipt of 50% of the cost of your Latitudes Vacation Package. It must be paid in full 30 days prior to travel to avoid reservation cancellation.

Is my reservation guaranteed?

Yes, once you've received a written reservation confirmation and all terms and conditions are met. See your Latitudes agreement for a complete list of terms and conditions.

How do I change my reservation?

You may change it at any time with a \$19.95 processing charge for each reservation change up to four days prior to arrival. Vacation no-shows and changes made within three days of check-in will be charged a \$99 penalty.

What happens if I elect not to purchase when I return for my Latitudes Vacation?

There is no obligation to purchase during your visit. Should you choose to become a member, we will credit either 100% of your Latitudes Vacation Package purchase price or up to 10% of the purchase price of any available Holiday Inn Club Vacations right to use membership, whichever is less, toward your down payment.

What villa will I be assigned for my vacation?

The room assignment process for your selected location and villa size is based on availability and will be determined at the time of booking.

Why do I need to take part in another 90-minute presentation after I'm already enrolled in the Latitudes program?

The Latitudes Vacation Package is a trial membership. As part of your return stay, you'll be invited to a 90-minute presentation that showcases what Holiday Inn Club Vacations® membership includes. During the presentation, our team will review how membership works, highlight the benefits and perks available to members—such as enhanced services, resort access, and flexibility—and explain available options that make the most sense for you and your travel lifestyle.

Can someone else use my Latitudes vacation in my place?

No, only you and your co-signer are allowed to use your Latitudes membership. Latitudes Vacation Packages are a contract and non-transferable.

What days can I check in?

You may request a variety of check-in days based on availability. Call your Latitudes Reservation Specialist for details.

Where do I call if I want to make additional payments on my account?

Call 1-800-298-3706
