CLIENT STATEMENT

Anderson Business Advisors' Tax Department will start accepting Tax Organizers to prepare 2020 tax year returns starting January 15th, 2021. Please complete the Tax Organizer to the best of your ability.

Tax returns are prepared in the order received. Any Tax Organizers submitted within 1-30 days prior to the deadline may need to file an extension (if possible) OR require an expedite fee of \$300. If your Tax Organizer is received within the final two weeks before the deadline, we will not guarantee that the return will be completed on time. All tax liabilities are still due and payable by the original filing deadline to avoid underpayment penalties and interest.

The scope of work in connection with the preparation of your ("the Client") federal and state tax returns is intended to be in compliance with the requirements issued by the various taxing authorities. Because tax laws are not always clear, honest differences of opinions may arise between our interpretation of laws and that of the various taxing authorities. We will assist you in resolving these differences in your favor whenever possible.

You and/or your duly appointed representative agree not to hold Anderson Business Advisors ("Anderson") liable for interpretations made with regard to any of the information supplied by Client and used in the preparation of the tax returns.

Unless compelled to do so by law, Anderson does not disclose any irregularities or provide statements as to the validity of the information supplied by Client to any taxing authority.

All tax returns are subject to review and acceptance by the various taxing authorities. In the event of an examination by the IRS or other taxing authority, contact Anderson. We can respond or represent your position to the taxing authority; however, there is a fee for this service. You may appeal any adjustments proposed by a taxing authority.

Please review your completed tax returns carefully. As preparers, we have a responsibility both to the various taxing authorities with whom we file tax returns as well as to our Clients. You remain liable for the contents of your tax returns prepared by Anderson from the data you provide.

All tax return preparation fees must be paid before the tax return can be electronically submitted to the taxing authority. Our minimum fee for the preparation of a tax return is \$600 (\$500 if you have a tax package.) Once payment is received and the proper forms are signed authorizing Anderson to electronically file the tax return, Anderson will then electronically file the tax return.

Dear Valued Client:

This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

We will prepare your 2020 federal and requested state income tax returns from information that you furnish us. We do not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information. We will furnish you with questionnaires and/or worksheets to guide you in gathering the necessary information. Your use of such forms assists in keeping pertinent information from being overlooked.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all the documents, canceled checks, and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign them.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. We will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the income tax returns.

We will use professional judgment in resolving questions where the tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions. Unless otherwise instructed by you, we will resolve such questions in your favor whenever possible.

The law provides various penalties that may be imposed when taxpayers understate their tax liability. If you would like information on the amount or the circumstances of these penalties, please contact us. Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examination, we will be available upon request to represent you and will render additional invoices for the time and expenses incurred.

Our fee for these services will be based upon the amount of time required at standard billing rates plus out-of-pocket expenses. All invoices are due and payable upon presentation.

If the foregoing fairly sets forth your understanding, please sign the enclosed copy of this letter in the space indicated and return it to our office. However, if there are other tax returns you expect us to prepare, such as gift and/or property, please inform us by noting so just below your signature at the end of the returned copy of this letter.

We want to express our appreciation for this opportunity to work with you.

Sincerely,

Anderson Business Advisors Tax Team
