An attorney on a mission: Guiding Investors and Business Owners to Growth and Prosperity

A founding partner of Anderson Business Advisors, Toby Mathis has helped Anderson grow its practice from one of business and estate planning to include a thriving tax practice and registered agent service with tens of thousands of clients nationwide.

Toby explains these accomplishments, "I am a tax attorney basing my strategies on the successful results of our clients. We see what successful investors have done over 20 years and apply those commonsense legal strategies to our client's benefit." Anderson stands out due to Toby's expertise in applying the tax code, asset protection statutes, and probate and trust statutes.

Toby also advances his clients' interests by combining expert tax advice with his personal experiences investing in over 200 real estate projects in the United States. His expertise reaches many others through his award-winning publications, including [Tax-Wise Business Ownership](#) and [Infinity Investing: How the Rich Get Richer and How You Can Do the Same](#).

Toby continues his crusade daily to help investors and business owners preserve their wealth, protect it from lawyers, snoops, and Uncle Sam, and create amazing legacies for future generations.
