FEE SCHEDULE FOR TAX RETURNS PREPARED IN 2023

Tax returns are billed by the hour for their preparation and review. Billable rates are:

- Tax Preparer \$275/hour
- Tax Reviewer \$475/hour

The minimum fee for a 990-N tax return is \$275 (\$495 with a state), \$1,100 for a 990-EZ, \$1,650 for a 990 or \$2,200 for a 990-PF. You must be a Tax Advantage Program client, on an annual flat rate fee, or have a Nonprofit Compliance Package with tax preparation credit on file to have the Anderson tax department prepare your return(s). Since our preparation fees are based upon the amount of time required to prepare your tax return, your fee may exceed the minimums. This does not apply to clients who have established flat rates for tax preparation. Anderson prepares tax returns on a first-in, first-out basis. That is, they are prepared in the order they are received. We do work with affiliated CPA firms to complete returns and reviews, so if you are facing an urgent timeline, we may be able to expedite return preparation and review through an affiliate. Please contact your Client Tax Coordinator to discuss your specific situation.

Flat Rate, Tax Advantage, and Nonprofit Compliance clients will be able to submit their tax organizers starting January 1st. In order to make the filing deadline for your 2023 income tax return, your completed organizer and backup documents should be received by our office no later than the Anderson deadline to receive materials date listed on the Due Date Calendar attached to avoid any expedite fees. Any information received after that date may require an extension to be filed for your return. Based on the complexity of your return, an extension may still need to be filed. Anderson will file your extension when necessary. An extension provides additional time to file but does not provide additional time to pay any tax that may be due. You are responsible for paying any tax due to the IRS by the due date in order to avoid certain late penalties and interest even if an extension has been or will be filed.

Your Client Tax Coordinator is available to assist should you have any questions regarding the Tax Organizer, uploading information to Box, or the preparation process.

Contact us at 702-628-5236 or via email: tax_coordinators@andersonadvisors.com for more assistance.

Sincerely,

Anderson Advisors Tax Team

CLIENT STATEMENT

Anderson Business Advisors' Tax Department will start accepting Tax Organizers to prepare 2023 tax returns starting January 15th, 2024. Please complete the Tax Organizer to the best of your ability.

Tax returns are prepared in the order received. In order to make the IRS filing deadline for your 2023 income tax return, your completed tax organizer and backup documents must be received by Anderson no later than the Anderson Deadline to Receive Materials date listed on the Tax Return Due Date Calendar provided with this organizer.

Returns with organizers and documents submitted after Anderson's deadline to receive materials and filed by the IRS deadline may be subject to expedite fee of \$300.

Anderson Business Advisors reserves the right to complete work domestically and globally through Anderson Global Group, affiliated CPA firms such as H&CO, LLP as well as other qualified professionals in order to timely complete tax preparation and review services.

If your Tax Organizer and documents are received 10 weeks prior to the tax deadline, we cannot guarantee the return will be timely filed. This may result in the need to file an extension, when possible.

An extension provides an additional time to file but does NOT provide an additional time to pay any tax that may be due. You are responsible for paying any tax liabilities due to the IRS and other taxing authorities (if applicable) BY the original due date of the return in order to avoid certain late penalties and interest even if an extension has been filed or will be filed.

The scope of work in connection with the preparation of your ("the Client") federal and state tax returns is intended to be in compliance with the requirements issued by the various taxing authorities. Because tax laws are not always clear, honest differences of opinion may arise between our interpretation of laws and that of the various taxing authorities. We will assist you in resolving these differences in your favor whenever possible.

You and/or your duly appointed representative agree not to hold Anderson Business Advisors ("Anderson"), its representative, or its affiliated firms liable for interpretations made with regard to any of the information supplied by Client and used in the preparation of the tax returns.

Unless compelled to do so by law, Anderson does not disclose any irregularities or provide statements as to the validity of the information supplied by Client to any taxing authority.

All tax returns are subject to review and acceptance by the various taxing authorities. In the event of an examination by the IRS or other taxing authority, contact Anderson. We can respond or represent your position to the taxing authority; however, there may be a fee for this service. You may appeal any adjustments proposed by a taxing authority.

Please review your completed tax returns carefully. As preparers, we have a responsibility both to the various taxing authorities with whom we file tax returns as well as to our Clients. You remain liable for the contents of your tax returns prepared by Anderson from the data you provide.

All tax return preparation fees must be paid before the tax return can be electronically submitted to the taxing authority. Once payment is received and the proper forms are signed authorizing Anderson to electronically file the tax return, Anderson will then electronically file the tax return.

By signing this document I acknowledge this statement and the dates below.

ENGAGEMENT OBJECTIVES AND SCOPE

Dear Valued Client,

This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

We will prepare your 2023 federal and requested state income tax returns from information that you furnish us. We do not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information. We will furnish you with questionnaires and/or worksheets to guide you in gathering the necessary information. Your use of such forms assists in keeping pertinent information from being overlooked.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all the documents, canceled checks, and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign them.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. We will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the income tax returns.

We will use professional judgment in resolving questions where the tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions. Unless otherwise instructed by you, we will resolve such questions in your favor whenever possible.

The law provides various penalties that may be imposed when taxpayers understate their tax liability. If you would like information on the amount or the circumstances of these penalties, please contact us. Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examination, we will be available upon request to represent you and will render additional invoices for the time and expenses incurred.

Our fee for these services will be based upon the amount of time required at standard billing rates plus out-of-pocket expenses. All invoices are due and payable upon presentation.

If the foregoing fairly sets forth your understanding, please sign the enclosed copy of this letter in the space indicated and return it to our office. However, if there are other tax returns you expect us to prepare, such as gift and/or property, please inform us by noting so just below your signature at the end of the returned copy of this letter.

We want to express our appreciation for this opportunity to work with you.

Sincerely,

Anderson Business Advisors Tax Team
