

MIRKA

Flexible, yet firm.

Novastar® Flex

Tackle complex contours quickly with ultra-flexible hand sanding sheets from Mirka. Novastar Flex achieves the perfect balance between cutting and scratch pattern for a great finish. Won't wrinkle or break, and folds perfectly without sharp edges. Couldn't be easier to use: centre perforation, colour coded grits and grip backing. Whether you sand with or without a hand pad is up to you. Novastar Flex helps you stay ahead of the curve.

Surpass your expectations.
