Back to School Materials Pickup

Monday, August 24, 2020

9:30 am

We are excited to welcome everyone back and cannot wait to start another wonderful school year! We invite you to visit campus at your designated times to collect your school supplies and textbooks.

As the new school year approaches, we would like for you to review our pick-up and drop-off procedures. Careful planning has gone into these protocols in order to ensure the maximum safety of your children. We appreciate your support in maintaining a healthy campus environment and your understanding that parents and visitors will not be permitted to enter campus until otherwise notified.

Procedures For All Students

Morning Drop-Off

- Campus opens for all students at 7:45 am. Students must complete the campus health questionnaire and temperature screening prior to entering campus.
- Students report directly to their homeroom classroom.
- Due to campus safety measures, lockers will not be available for use.

We have adults to help the students make a quicker exit from their cars. You can help us in this effort in the following ways:

1. Have your child ready to exit the car as soon as you approach the school.
2. Avoid parking while in the drop-off line. Visitor parking is available on the south side of Mable. (Please enter off Broadway Avenue.)
3. Drive courteously and with caution.
4. **Please do not make U-turns on Mable Street.**

After School Pick-Up

- Please ensure a placard with your child's first and last name is clearly visible in the front window so our staff member can call your child(ren) to the pickup area.
- Please continue to move your car up in the parent pickup line as cars pull out to drive away.
- Parking on either side of Mable Street is not permitted between the hours of 2:00 pm and 4:00 pm.
- Do not stop and get out of your car to look for your child.

- Do not leave your car unattended in the pickup line.
- Please adhere to the red curbs, cones, and carefully posted NO PARKING signs at all times. All elementary students (JK - 5th) must use the crosswalk with the crossing guard; this ensures the safety and visibility of that crosswalk.

Should you have any questions, please call the front office at (714) 563-4050.
