

## 2019 – 2020 Volunteer Interest Form Fairmont Preparatory Campus

Dear Fairmont Families,

You ARE the Fairmont Parent Association! Your involvement contributes to the warm, supportive environment Fairmont has created for our children.

If you and your children enjoy FPA-sponsored activities (or want to help make them better), please consider volunteering next school year. These events can only continue if we have volunteers to plan and run them! Drop this form in the FPA mailbox, or use this quick link to add your information and we will contact you
