

# FAIRMONT SUMMER — 2021 — PROGRAMS

## MIDDLE SCHOOL SUMMER LEARNING OPPORTUNITIES

Our enthusiastic, well-trained camp counselors guide campers through camp experiences that feature an action-packed variety of arts and crafts, sports, and team-building activities. In our middle school summer school programs, students can choose from a range of for-credit courses to boost their knowledge and their transcripts. Choose from Camp/School Combo or for-credit high school classes.

### CAMP/SCHOOL COMBO

5 weeks | June 21 - July 23

9am - 4pm | Monday - Friday

The Middle School Camp/School Combo is a full-day experience with recreational camp experiences combined with educational school lessons.

### FOR-CREDIT HIGH SCHOOL CLASSES

6 weeks | June 21 - July 29 (3 weeks each semester)

9am - 12pm & 1pm - 4pm | Monday - Thursday

**OR** Middle schoolers can take the following for-credit high school courses available for in-person or remote instruction (Any course taken for advancement must be approved by your campus director. Algebra may not be taken over the summer for advancement.)

| SUBJECT                    | COURSES   |
|----------------------------|---|
| MATHEMATICS                | Pre-Algebra   |
|                            | Algebra I (not for advancement)                                 |
|                            | Algebra II  |
|                            | Geometry  |
|                            | Precalculus   |
| VISUAL AND PERFORMING ARTS | Beginning Digital Multimedia CP                                 |
| OTHER COURSES              | Health CP<br>Intro to Social Media<br>Strategies for Success CP |
