

MIRKA

Mirka® DEROS RS

The next generation rotary sander.

Rotary Sander

Mirka® DEROS RS 600 is designed for heavy-duty, coarse sanding applications. Despite its robust attributes, this tool maintains a surprising level of smoothness during operation, offering a quiet and easily manoeuvrable solution for tackling rough materials. Mirka® DEROS RS is a powerful, lightweight and compact heavy-duty rotary sander that can be used for paint stripping, microcement, stair sanding, body in white and teak decks.

Mirka® DEROS RS

Heavy-duty Mirka® DEROS RS 600: rotary movement, more powerful

The Mirka® DEROS RS 600 is a new rotary sander for rough applications and general-purpose sanding. It is a heavy-duty sander suitable for a wide range of surfaces, providing the operator with a low noise level and smooth operation to reduce strain. The long-life brushless motor produces 750W of power.

Lightweight and low-profile

Made to withstand demanding use, the purposeful design of the new Mirka® DEROS RS sander makes it instantly recognisable. Lightweight for its size at 1.80 kg and with a low 11.5 cm profile, it retains the hallmarks of the Mirka® DEROS product family, including easy-to-use ergonomics and compatibility with Mirka dust-free sanding. During sanding, the Mirka® DEROS RS extracts dust from around the backing pad as well as through the extraction holes on the pad and abrasive.

The sanding speed is adjustable between 700rpm and 2500rpm, made easy with a clearly visible LED indicator. A special slow start function can be selected. To monitor vibration levels, the connectivity features of the Mirka® DEROS RS 600 include myMirka app compatibility over Bluetooth®. Accessories for the Mirka® DEROS RS include pad savers and a specially designed shroud to direct dust into extraction channels from the working surface.

Features

- Powerful & Lightweight
- Very low noise levels and minimal vibration
- RPM Led indication
- A shroud (incl.) guides dust in right direction when sanding with a pad saver
- Momentary switch function

Accessories

MODEL	DEROS RS 600	DEROS RS 600 +CASE
Product code	MRS6002100UK	MRS60021CAUK
Pad diameter	150 mm	150 mm
Power	750 W	750 W
Input voltage	220 – 240 V ~	220 – 240 V ~
Speed (rpm)	700-2,500	700-2,500
Weight	1.8 kg	1.8 kg
Noise level	61 dB	61 dB
Vibration	1.6 m/s ²	1.6 m/s ²
Usage*	1, 2, 3, 4, 5	1, 2, 3, 4, 5
