ESSENTIALS

Mirka Essentials consists of supplies and accessories considered essential in the painting and refinishing process of manufacturing, collision repair, polishing, and other surface finishing work.

In the Essentials product range, you will find masking and specialty

tapes, paint mixing supplies, and other materials needed when preparing to paint.

A professional finish starts with preparation. Mirka Essentials optimizes every part of the process, resulting in the best finish possible.

PAINT MIXING SOLUTIONS

The Mirka Paint Mixing product line includes painting systems with cups, liners, filters, lids, and stoppers, as well as spray gun adapters and convenient dispensers. Perfect for automotive refinishing professionals' paint mixing needs.

PAINT CUP SYSTEM

The Mirka Paint Cup System is a complete system, ready to attach to the spray gun (adapter sold separately). All parts are corrosion-resistant to both paint and thinner.

Essentials Tape + Film

Mirka Essentials feature these top-quality Specialty Tapes:

Black Cloth Tape has twice the threads per inch than standard cloth gaffer tape and can be torn in both directions.

With easy-to-tear perforated sections, our **Split Masking Tape** masks rubber seals around vehicles and protects the insides from overspray.

Our **Clear Emblem Tape** features self-cuts to ease refastening of logos, decals, and badges on all types of vehicles.
