

# EQUIPMENT REBATE PROGRAM

## UP TO \$625 PER ROW\*

### ABOUT THE PROGRAM

The Andersons offers a planter equipment program to assist growers with the purchase of **NEW** precision planting equipment when they purchase a minimum of 2,000 gallons of qualifying products from their local dealer of The Andersons PureGrade® and MicroSolutions® products. With this program, a grower can earn up to \$15,000 in rebates over a three-year contract period. This equates to \$625 per row!

### TERMS

Growers must apply by March 31, 2021 to participate in the program. Up to \$15,000 per contract may be earned over a three-year period (\$5,000 per year). Minimum of 2,000 gallons must be purchased each year. Maximum term of rebate shall not exceed three years.

Copies of equipment and fertilizer invoice(s) must be submitted by August 31, 2021. The rebate will be paid following review of invoices. The rebate will be payable by The Andersons via check or as a credit to Dealer's account, provided account is in good standing. Agreement is subject to final approval.

*\*\$625 per row is the maximum amount a grower can earn over a three-year period with the equipment program.*

*\*\*The additional \$0.10 per gallon may only be received when one of the products is added to a PureGrade Base Grade. The maximum rebate amount earned per gallon is \$0.20.*

### HOW TO CALCULATE YOUR REBATE

#### MINIMUM CALCULATION

Grower purchases 2,000 gallons of GoldStart 6-24-6 and MicroCarb ZMB each year

Year 1: 2,000 gallons x (\$0.10 + \$0.10) = \$400  
 Year 2: 2,000 gallons x (\$0.10 + \$0.10) = \$400  
 Year 3: 2,000 gallons x (\$0.10 + \$0.10) = \$400

Total = \$1,200 (\$100 per row on 12-row planter)

#### MAXIMUM CALCULATION

Grower purchases 25,000 gallons of Season Pass with MicroCarb ZMB each year

Year 1: 25,000 gallons x \$0.20 = \$5,000  
 Year 2: 25,000 gallons x \$0.20 = \$5,000  
 Year 3: 25,000 gallons x \$0.20 = \$5,000

Total = \$15,000 (\$625 per row on 24-row planter)
