

NLIGHTEN Equipment Program

EQUIPMENT REIMBURSEMENT PROGRAM

PIVOT BIO
NLIGHTEN
System

Pivot Bio PROVEN™ is applied in-furrow at planting

For farmers without liquid fertilizer capabilities, Pivot Bio offers an Equipment Program called NLIGHTEN to reimburse the cost of purchasing qualified application equipment up to a maximum level of:

TWO LEVELS OF PARTICIPATION

OPTION ONE

520 Units (acres) of Pivot Bio PROVEN™ per year

Three-year commitment 2021-2023

Maximum total reimbursement of \$7,500

OPTION TWO

1,000 Units (acres) of Pivot Bio PROVEN™ per year

Three-year commitment 2021-2023

Maximum total reimbursement of \$15,000

PURCHASE OF APPLICATION EQUIPMENT MUST BE COMPLETED ON OR BEFORE FEBRUARY 1, 2021.
