THC - FREE HEMP EXTRACT

CBD is renowned for its calming, balancing effects on the mind and body.* This premium cannabinoid + 11 terpene extract tests clean and is non-psychoactive. Our formula is rounded out by beta-caryophyllene, a terpenoid found throughout the plant kingdom that potentiates the beneficial activities of phytocannabinoids, contributing to the entourage effect.

ZEN NUTRIENTS + BOTANICALS

GABA is the brain's "calm and connect" neurotransmitter. L-Theanine supports calm, while 5-HTP supports serotonin, the feel-good neurotransmitter. Skullcap and rose flower help ease every day tensions.*

FAST-ACTING EFFECTS

Our game-changing CBD delivery absorbs up to 5x more efficiently.* Nanoparticle delivery enhances absorption by promoting uptake into the bloodstream after ingestion.
