

A non-psychoactive amount of THC (<0.3%) boosts the benefits of this groundbreaking hemp extract. Our game-changing delivery absorbs up to 5x more efficiently for profound effects you can feel in as little as 5 minutes.[†]

SKU: Q-1101

POWERFUL CBD ACTIVES

CBD can support overall comfort, calm, mood, and a healthy inflammatory response. This bioavailable blend optimizes a full spectrum of cannabinoids + terpenes for full body health. We've retained the low level of THC naturally present in hemp grown under 2018 Farm Bill regulations. This non-psychoactive amount of THC helps activate the endocannabinoid system, priming the body's response to the other bioactive molecules in the extract.†

Other Ingredients: Water, glycerin, ethanol, tocopherols, phospholipids (from purified sunflower seed lecithin), natural citrus oils, DeltaGOLD® tocotrienols, natural flavoring

LAB PROVEN FOR 5X BETTER ABSORPTION

Typical oral CBD tinctures absorption hovers at a disappointing 6-10%.† Our exclusive liposomal delivery offers 5x better absorption measured by serum active diol levels.†

RECOMMENDED USE: Take 4 pumps and hold in mouth for 30 seconds before swallowing. Increase frequency of use if needed or as directed by healthcare professional. Take on an empty stomach at least 10 minutes before meals. May be stirred into a small amount of water. If pregnant, breastfeeding, or planning to become pregnant, consult a physician before use.

COST EFFECTIVE

The problem with most CBD products is that no matter their dose, much is lost in the GI system. We maximize economy by delivering CBD to your bloodstream, after ingestion.

Use caution if subject to drug screening. Please be advised hemp extract can cause positive test results.

Keep out of reach of children.
