## Set up Voice Pass: 800-401-8726

Transamerica Voice Pass, our voice-recognition system, can provide security and convenience without having to remember a password when you call our Customer Care team. Voice Pass will identify you based on a stored voiceprint as unique as your fingerprint. Once set up, all you'll need to do when you call is repeat the phrase, "At Transamerica, my voice is my password" to access your account.

**Step 1:** Call **800-401-8726**.

**Step 2:** Let us know who you are. If you're calling from the phone number we have on file, we'll identify you that way. If you're calling from a different phone number, enter or say your Social Security number.

**Step 3:** If it's your first time calling, follow the prompts to set up Voice Pass. If you've called before, we'll ask you to verify your identity with your voice.
