WHAT IS FIELD UNDERWRITING?

In order to provide the most accurate picture of the applicant to the insurer, it is important for an agent to get to know his or her clients in the process of soliciting business. This process, known as field underwriting, is the initial medical and financial screening of prospective buyers of life insurance and is a key responsibility of our agents.

For an agent, good field underwriting builds credibility with your client and boosts your reputation in the community as a knowledgeable life insurance advisor. Often additional requirements are needed due to inconsistent information provided; therefore, the more complete and accurate the information is on the application, the less likely additional requirements, such as an Attending Physician Statement (APS), will be needed. More importantly, it can lead to a better customer experience by setting realistic expectations for a potential rate class, which will be beneficial to everyone involved. When meeting with your client, please be sure to keep in mind the following questions:

- What is their occupation, annual income, and net worth?
- Have they ever been rated or denied for life, long term care, or other insurance in the past and why?
- Do they already own a life insurance policy?
- If so, what is the face amount? Is it being replaced?
- What is the purpose of the life insurance being applied for?
- Do they have any medical issues?
- Do they travel outside the U.S. or are they a foreign national?
- Do they participate in aviation, scuba, climbing, racing, or other similar activities?
- Any driving violations?

WHY SHOULD I PERFORM FIELD UNDERWRITING?

- Expedite the underwriting process
- Meet client expectations
- May reduce the need for additional underwriting requirements
- Ensure Conditional Receipt is binding

UNDERWRITING TIPS

INSURABLE INTEREST

Insurable interest must exist between the proposed insured(s), policy owner(s), payer(s), and beneficiary*. Underwriting reserves the right to make the final determination on the issuance of any policy(ies).

NONMEDICAL DOES NOT MEAN GUARANTEED ISSUE

Nonmedical means that initial underwriting requirements do not include traditional underwriting requirements, such as a paramedical exam with labs, although vitals/physical findings and/or labs may be required upon case review at underwriter discretion. Nonmedical applications may be subject to a Medical Information Bureau (MIB) report, Motor Vehicle Report (MVR), prescription check, medical data check, personal history, and medical history (application Part 2). All preferred rates classes may be available with nonmedical underwriting, depending on age, face amount, and product. See individual product rules. Guaranteed issue, as the name implies, guarantees certain life insurance policies will be issued, regardless of health. Since the insured cannot be declined or turned down, carriers generally offer low death benefit options with higher-than-normal premiums. We do not currently offer any guaranteed issue policies.

AN APPLICATION WILL REMAIN OPEN FOR 90 DAYS

An application is valid for 180 days. Cases underwritten with a paramed exam and labs require a statement of good health on delivery after 90 days. Cases underwritten with a nonmedical Part 2 require a current nonmedical Part 2 after 90 days.

IF THE PROPOSED INSURED IS A JUVENILE, A PARENT/LEGAL GUARDIAN SIGNATURE IS REQUIRED

If the grandparent is the owner of the policy, the parents will still be required to sign the application. If the legal guardian is not a parent, proof of guardianship will be requested.

AN AGENT MAY BE CHARGED FOR ORDERING UNNECESSARY REQUIREMENTS

Please refer to the initial underwriting requirements (pages 17-20) for standard age/face amount requirements.

A LEGIBLE FILE NUMBER MUST BE PRINTED ON ALL CORRESPONDENCE FOR PROPER PROCESSING

APPLICATIONS SHOULD BE DOUBLE-CHECKED TO ENSURE COMPLETENESS AND ACCURACY TO AVOID PROCESSING DELAYS

Commonly missed information:

- Doctor information (full name, date(s) seen, reason, and phone number)
- Tobacco use
- HIV question
- Insurance in force (Life/DI)
- Beneficiary relationship
- Child/additional insured information including height, weight, and medical history

ALWAYS PROVIDE THE BEST TIMES, TELEPHONE NUMBERS, AND ANY SPECIAL LANGUAGE NEEDS FOR YOUR CLIENT

Providing accurate contact information will assist in timely ordering and collection of underwriting information.

* Insurable interest of beneficiary is subject to state statutes.

INCLUDE THE FOLLOWING INFORMATION FOR ALL MEDICAL CONDITIONS:

- Date of diagnosis
- Past and current treatment, including medication(s)
- Follow-up information
- All doctors seen
- Last time seen
- Current status
- Testing completed, including date and results

NON-U.S. CITIZENS REQUIRE ADDITIONAL UNDERWRITING CONSIDERATIONS

- For all non-U.S. citizens and permanent residents (green card holders), a copy of a valid visa is required with all applications
- Use the image upload tool on the agent portals to submit copies of images
- A copy of a valid green card will be required for Long Term Care Rider, Living Benefit Riders (Chronic Illness and Critical Illness), or at underwriter discretion

BE SURE TO ORDER THE CORRECT PARAMED EXAM, WHEN REQUIRED

To do so, please be sure to provide the full name of the underlying insurance company, product(s) being applied for, and state where the application was signed to the paramed company.

LIVING BENEFIT COVERAGE*

Certain medical conditions will impact an individual's eligibility for living benefits coverage, and Transamerica reserves the right to decline living benefit riders or products based on an individual's medical history.

The following are some conditions that may not be eligible for the *Trendsetter LB* product or the *Chronic and/or Critical Illness Living Benefit* coverage on the *Transamerica Financial Foundation IUL* or *Transamerica Financial Choice IUL* product. (This list is not all-inclusive, and cases are reviewed individually to determine eligibility):

- Alcohol abuse or any drug use within three years
- Cancer (other than non-melanoma skin cancer)
- Coronary artery disease
- Diabetes with insulin use
- Inability to perform activities of daily living (ADLs)
- Motor neuron disease
- Multiple sclerosis
- Muscular dystrophy
- Parkinson's disease
- Pregnancy — current through three months postpartum
- Stroke or TIA
- Systemic lupus erythematosus

* Underwriting reserves the right to rate the base policy, deny or limit benefits, or offer a different product based on medical information obtained during the underwriting process.

PREMIUM TO INCOME GUIDELINES

While each of your clients have different financial needs, these guidelines are intended to provide a general formula to help calculate suggested maximum amounts of life insurance.

- What does the client do for a living?
- What is their annual income and net worth?
- Do they already own a life insurance policy?
- If so, what is the face amount? Is it being replaced?
- What is the purpose of the life insurance being applied for?
- Do they have any medical issues that may result in a higher premium?

PURPOSE	FORMULA		REQUIREMENTS
Affordability Guidelines	Below Formula - Annual premium for all policies ÷ Annual income = %. The premium to income ratio should not exceed the percentages below.		<ul style="list-style-type: none"> • There should not be a significant adverse change in financial status or financial flexibility as a result of the purchase of the policy(ies). • For incomes less than \$15,000 (USD), details supporting the need and purpose of the insurance may be necessary. Adjustments (upwards) for family size (when known) should be considered to align with U.S. Federal Poverty Guidelines published by the U.S. Department of Health & Human Services. • Premium affordability should be demonstrated for the total premiums being paid on all policies, by the payer(s). This includes all policies on the payer(s) life and all policies on the lives of others for which they are paying.
	Annual Income	Premium to Income	
	≤ \$30,000	15%	
	> or = \$30,001	20%	

HIGH NET WORTH APPLICANTS

In circumstances where the premiums exceed the above guidelines, such as a client with demonstrable high liquid assets and low/moderate income, further consideration beyond the guidelines may be given. A cover letter of explanation and supporting financial evidence will be required for face amounts \$3 million and higher. See page 41 for additional information on cover letters.

DETERMINING COVERAGE AMOUNTS FOR BUSINESS PLANNING

PURPOSE	FORMULA		REQUIREMENTS

Buy-Sell/Business Continuation	% Ownership x Corporate Value		A cover letter must be provided explaining: <ul style="list-style-type: none"> The fair market value of the business and how the amount of insurance was determined A copy of the buy-sell agreement or the details of the buy-sell agreement The proposed insured's ownership percentage, the number of other partners, and their ownership percentage The amount of buy-sell coverage on each partner and the amount and purpose of all in force business coverage All partners must apply for or have in force buy-sell coverage. The underwriter will need the last two years' corporate balance sheets and income statements, including notes.
Business Loan	An amount up to the outstanding principal of the loan		<ul style="list-style-type: none"> The business must be the owner of the policy. Cover letter must include the purpose, duration of the loan, collateral pledged, its value, and the loan interest rate. The term of the loan must be five years or more. If creditor is designated beneficiary, it should be stated "as its interest may appear" with balance of proceeds to go to another designated personal beneficiary. A collateral assignment would also be acceptable.

Business Beneficiary Inspection Report (BBIR) ordered for business coverage over \$2 million.

Electronic Inspection Report ordered for all coverage greater than \$3.5 million through \$10 million. Full Inspection Report ordered for all coverage greater than \$10 million.

HOW DO I APPROACH DELICATE SUBJECTS?

To help clients obtain the coverage they need, you need to be sure to ask all the necessary questions — even the uncomfortable ones. Remember, incomplete responses will delay the review process, the client's coverage, and your commission payment. Below are some suggestions to help you address these sensitive subjects.

EXPLAIN THAT CORRECT WEIGHT AND OTHER SENSITIVE DETAILS ARE REQUIRED

Before you submit a client as preferred, be sure he or she meets the criteria. Refer to the underwriting criteria and medical impairments information in this guide to determine if the applicant is eligible for coverage and at what underwriting class. It may help the client understand how important it is to provide correct details.

ASSURE THE CLIENT THAT ALL INFORMATION ON THE APPLICATION IS CONFIDENTIAL

If the applicant has ever been arrested or has sensitive medical history, he or she may not want to disclose it. Assure all clients in advance that the application is confidential and none of their personal information is at risk.

DOCUMENT THE DETAILS:

Bad example: One speeding ticket

Good example: Speeding ticket, 2009; reckless driving, 2011; cell phone use, 2012

ASK FIVE IMPORTANT QUESTIONS ABOUT MEDICAL CONDITIONS

To gain a complete picture of an applicant's medical history, ask the following questions:

1. What was the condition?
2. When was the condition diagnosed?
3. When was the last episode?
4. How and when was it treated?
5. What is physician's name, address, phone number, and date/results of last visit?

DOCUMENT THE DETAILS:

Bad example: Heart surgery

Good example: Bypass surgery, 2011, Dr. Brian Jones, 10 Main St., New Orleans, LA, 555-555-5555. Last seen six months ago for routine checkup with normal findings.

OBTAIN THE CORRECT SPELLING OF THE APPLICANT'S MEDICATION(S)

The best thing you can do is ask to see their prescription bottles or have them bring a complete list of all medications including dosage(s). This way, you can ensure the correct spelling of all medications and physician names, in addition to dosages. Also, be sure to include on the application the medical condition for which each medication is prescribed.

UNDERWRITING REQUIREMENTS AND REPORTS DEFINED

Transamerica reserves the right to request other evidence of insurability as it deems necessary.

NONMEDICAL (PART 2):

Medical history questions answered by the proposed insured with the agent. A nonmedical does not include a third-party vendor and does not include collecting fluids (blood and urine) or taking vitals (measured height/weight, blood pressure, pulse).

PARAMEDICAL EXAM

A paramedical exam is a basic exam completed by an approved third-party vendor. It includes a qualified examiner asking medical history questions, completing proper paperwork/forms, taking vitals (height/weight, blood pressure, pulse), collecting fluids (blood and urine), and administering ECGs.

MEDICAL EXAM

A medical exam is similar to a paramed exam, but is completed by a medical doctor and includes a more thorough physical examination than the paramed exam. These must be arranged through approved paramed companies.

HOME OFFICE SPECIMEN

A home office specimen (HOS) is a urine sample collected during a paramed or medical exam and is sent to a laboratory for analysis. An HOS is required with all medical and paramedical exams.

BLOOD CHEMISTRY PROFILE

A blood chemistry profile (BCP) is a venous blood draw collected during a paramed or medical exam. It is sent to a laboratory for analysis. A BCP is required with all medical and paramedical exams.

RESTING ELECTROCARDIOGRAM

During an electrocardiogram (ECG), small patches are placed on the chest, arms, and legs to record the electrical activity and rhythm of the heart. If normal resting ECG records are available from a test conducted within the last 12 months, test need not be repeated.

MINNESOTA COGNITIVE ACUITY SCREEN

The Minnesota Cognitive Acuity Screen (MCAS) is a telephone interview conducted by a registered nurse who is specifically trained to administer the test. The purpose for this test is to screen for potential early cognitive impairment. Proposed insureds age 60 and older applying for Long Term Care Rider or proposed insureds ages 71 and older applying for life insurance will be required to complete an MCAS.

INSPECTION REPORTS (IR, BBIR, EIR)

Provides a holistic view of the proposed insured's public record footprint, including such information as financials, criminal records history, properties owned, and bankruptcies. Inspection reports may be completed as a telephone interview or by online database searches, depending on amount being applied for.

IDENTITY VERIFICATION

A check to verify the identities of our customers in order to ensure the quality of business, manage identity risk, prevent identity fraud, and comply with obligations under the USA Patriot Act. This check is primarily used for identity verification. In some instances we may request a copy of the individual's Social Security card, driver's license or other state-issued ID, or utility bill to help verify an individual's identity.

UNDERWRITING REQUIREMENTS AND REPORTS DEFINED

Transamerica reserves the right to request other evidence of insurability as it deems necessary.

PERSONAL HISTORY INTERVIEWS

A Personal History Interview (PHI) is a process where Transamerica contracts a third-party vendor to complete a telephone interview. A PHI is typically ordered to clarify medical and/or nonmedical information. A written report of the interview is sent to the home office for review.

PERSONAL FINANCIAL STATEMENTS

A Personal Financial Statement (PFS) — also known as a Confidential Financial Questionnaire — will be requested if: the income and net worth of proposed insured is not provided on the application; the company finds the financial information is unclear, inconsistent, or additional details are needed; and/or the insurance is being used for business coverage, including Buy-Sell, Loan, and Key Person applications.

FORM 4506-C

Form 4506-C is an Internal Revenue Service (IRS) form that gives permission for Transamerica to receive a transcript of previously filed tax returns directly from the IRS. This pre-filled form is obtained through your agent portal or through iPipeline to expedite processing.

MONTHLY DISABILITY INCOME RIDER (MDI)

Provides a monthly income to the insured in the event the insured becomes totally disabled.

ISSUE AGES:	ISSUE LIMITS:
18-50 years	<ul style="list-style-type: none"> - Not available if base is rated - Available only at time of issue - Offers up to \$2,000 per month in disability income protection with a 2 year benefit period - Certain occupations are ineligible for coverage

TERMINAL ILLNESS ACCELERATED DEATH BENEFIT RIDER

While the policy is in force and conditions are met, we will pay an Accelerated Death Benefit (Terminal Illness only) upon request (life expectancy less than 12 months), minus the loan balance, minus an administrative charge, and minus any amount necessary to provide insurance to the date of the Accelerated Death Benefit payment if we make the payment during a grace period.

This benefit is automatically attached to all new issues. Rider is not rated.

Rider charges are included with other policy costs and charges assessed on premium payments, or, for some riders, at time of claim for rider benefits. Riders and rider benefits have specific limitations and may not be available in all jurisdictions. Benefits paid under accelerated death benefit riders, including the Long Term Care Rider, will reduce the life insurance policy's death benefit and policy value. For complete details including the terms and conditions of each rider and exact coverage provided, please refer to the policy.

FIELD UNDERWRITING AND THE CONDITIONAL RECEIPT

Every time you submit an application, you take a very important step in helping your clients protect their family and their dreams. The Conditional Receipt is an important part of this process.

WHAT IS THE CONDITIONAL RECEIPT?

The Conditional Receipt is “interim” coverage provided to life insurance applicants when the full modal premium is paid at the time of the application. Provided certain conditions are met, the Conditional Receipt provides death benefit protection for the proposed primary insured up to the amount stated in the dollar limits of conditional coverage section of the receipt or the face amount applied for, whichever is less. We do not accept Conditional Receipts on foreign nationals or expatriates.

CONDITIONS AND REQUIREMENTS

The following must be met for the Conditional Receipt to be in effect:

- Proposed primary insured is found insurable, at any rating, under the company’s rules for insurance on the product applied for and at the face amount and tobacco classification applied for;
- All statements and answers given in the application are true and complete;
- Full initial modal premium is received at our administrative office within the lifetime of the proposed primary Insured (if the form of payment is by check or draft, it must be honored for payment on first presentment);
- All medical exams, tests, screenings, and questionnaires required by the company are completed and received at our administrative office.

There is no conditional coverage for riders or any additional benefits. Conditional coverage only applies to the proposed primary insured. There is no conditional coverage on any other persons proposed for coverage in the application. Coverage will be denied if the death is caused by suicide or a self-inflicted injury.

AN APPLICATION HAS BEEN COMPLETED. NOW WHAT?

KEEP YOUR CLIENT INFORMED

Let the client know that additional evidence may be needed to complete the process.

Examples may include:

- A paramedical examination
- Blood draw and urine specimen
- An ECG
- A telephone interview to clarify or request additional information
- Special questionnaires for medical, avocation, aviation, travel, and residency information
- Attending Physician Statements (APS) will normally take two to four weeks to receive from the doctor.

SPECIAL QUESTIONNAIRES*

Special questionnaires may be required when further information is needed on medical, avocation, aviation, or foreign travel/residency matters that could impact the determination on an underwriting classification.

These include:

- **Alcohol Questionnaire** - complete if the applicant has history of alcohol abuse
- **Avocation and Aviation Questionnaire** - complete if there is any participation in racing, parachuting, sky diving, underwater diving, or aviation
- **Disability Income Questionnaire** - complete for a client applying for a disability income rider
- **Drug Questionnaire** - complete if applicant has history of drug use
- **Travel and Residency Questionnaire** - complete for any applicant who has planned foreign travel in the next 12 months or is not a U.S. citizen

These questionnaires may be found in the forms section of the agent portal.

* Questionnaires vary by jurisdiction and may not be available in all states.

PREPARE A COVER LETTER TO SUBMIT WITH YOUR APPLICATION

A cover letter is your introduction of the client to the company. A detailed, well-written cover letter may be the difference between a bumpy course or a smooth sail through the underwriting process.

What to include in the cover letter:

- If not obvious, what is the insurable interest between the owner and beneficiary?
- How was the face amount determined? (Include information that is relevant in determining the amount being applied for.)
- What is the purpose of the coverage?
- Include any known medical or nonmedical underwriting concerns
- Highlight any factors that would not be developed through the application (e.g., a current exam, attending physician statements, or inspection reports)
- List competitive information, as well as any standing offers and in force coverage amounts and amounts being replaced
- Copies of an estate planning analysis, buy-sell agreement, loan agreement, or other pertinent documents

To expedite underwriting, the inclusion of a cover letter is encouraged on all applications, however, it is required at face amounts \$5,000,000 and up or when further details are needed for any unusual cases. When using our electronic application (iGO® e-App), the cover letter may be uploaded in the agent remarks section.

I, <Agent Name and Agent ID>, am writing this letter to provide additional information about the attached application on the life of my client, <Client Name>.

YOUR RELATIONSHIP TO THE CLIENT

I have known <Client Name> for <Time Period>, and have sold life insurance to various <Client Name> family members during <Timeframe> for both personal and business reasons, as applicable.

IDENTIFY THE CLIENT

<Client Name> is the <Title> for <Company Name> which <provide company overview>. <Client Name> current income is <\$Annual Income> per year. If appropriate, include such things as the number of full-time employees in company, ownership interest in company, and future business outlook.

JUSTIFICATION FOR THE INSURANCE

While <Client Name> currently carries <Dollar Amount> of key person insurance, the coverage was issued <Years> ago, which is inadequate. <Client Name> needs a total of <Amount of Insurance> at this time. Indicate how insurance will be used. (e.g., \$750,000 to protect the business and contracts in progress and \$750,000 will be payable directly to <Client Name> family as personal insurance.)

INSURANCE IN FORCE/REPLACEMENT

The <Amount of Insurance> <Client name> now carries is term insurance and will be replaced with new coverage (Indicate Face Amount). List any coverage in force, including type and amount of insurance and carrier name.

FAMILY HISTORY

Provide details on <Family History>, include age of parents at death and cause of death. Indicate client <Tobacco Usage>, <Types of Activity and Frequency>.

CURRENT MEDICATIONS

<Client Name> currently takes <Prescription Medications>. <Client Name> previously took <Prescription Medications> for <Medical History>. However, <Client Name> no longer needs this medication.

GUIDE TO WRITING AN UNDERWRITING COVER LETTER

(continued)

OWNER AND BENEFICIARIES

Identify owner (person, trust, etc.) and policy beneficiary(ies) and describe insurable interest. Provide the names and contact information for additional resources who can provide additional information, if needed, including estate planning or corporate attorneys or CPA.

MEDICAL EXAMS AND INSPECTIONS

I have scheduled the appropriate underwriting exams for <Client Name> through <Paramed Company>.

CLOSING SIGNATURE

Sincerely,

_____, Agent

WHAT IF THE CLIENT IS NOT A U.S. CITIZEN?

A client who is not a U.S. citizen qualifies for life insurance coverage if they meet the requirements below:

- The client must have significant business and/or financial ties in the United States;
- The client must present either a(n): Social Security Number (SSN); Individual Tax Identification Number (ITIN/TIN); appropriate version of IRS Form W-8 for those without a SSN or TIN; or (for the ITIN Program) valid IRS ITIN letter (CP565) issued as a result of a W-7 Application;
- The client must be physically present in the United States at the time of application; have valid, current proof-of-entry (e.g., passport stamp or I-94 document; a valid visa¹; green card;^{2,3} work permit, etc.); and submit copy(ies) with the file;
- Visa holders: indicate the specific visa type (e.g., H1, F1, etc.) or exact immigration status (e.g., refugee, asylum, etc.) on the application;²
- Employment Authorization Card (“EAC”) holders: compare the category code, located in the center of the EAC, to the code on pages 47 and 48 to determine if the candidate is eligible to apply for insurance;
- Immigration documents pending expiration within 90 days of the application date may affect insurability or delay processing while we confirm renewal;
- Fully expired visas must show proof of renewal or extension (I-797, I-797A, or other confirmation document from USCIS that is acceptable to Underwriting);
- EB-5 visa holders transitioning to a green card status may be asked for additional documentation to confirm that process;
- A copy of all required documentation will be asked for in iGO® e-App at the time of application. For paper applications, use the image upload tool on the agent portals to submit copies of images, and indicate this in the agent comments section;
- The Living Benefit Riders (Chronic/Critical Illness) are available to permanent U.S. residents (this includes ITIN candidates);
- A separate international underwriting guide is available for information on submitting nonresident foreign nationals and U.S. expatriates business. All international risk guidelines are subject to change without prior notice. See the age/amount requirement charts by product (pages 44–46) for non-U.S. residents.

For further details please refer to our Resident Foreign Nationals Travel Guidelines flyer, HNW Non Resident FN UW Guidelines, and Foreign National Individual Taxpayer Identification Number guidelines.

DOCUMENTATION NEEDED

Permanent Resident Card (green card holders): Copy of front and back of the card is required when applying for the Chronic Illness Rider or Critical Illness Rider, and may be requested at underwriter discretion.

All Others: Copy of visa and proof of U.S. entry (passport stamp or I-94 document) are required. Additional supporting documents may be required.

¹ Not all visa types or immigration statuses are eligible. Note also that the Matricula Consular document is not recognized to be valid as a visa by the U.S. government.

² Only list “permanent resident” on the application if the client is a lawful permanent resident (also known as a green card holder)

³ Green card holders need not submit a copy of their (valid) green card unless applying for the Living Benefit Riders (Chronic Illness and Critical Illness), or at Underwriter discretion. Please copy the front and back of the card when applying for these benefits.
