

Clover Mini 3

Small. Portable. Intuitive.

A full point-of-sale system in a small package.
More payments, more power, less clutter.

Clover Mini 3

Clover Mini 3 is small and portable, so you can free up valuable counter space when you need it. Its high-resolution touchscreen and intuitive interface are simple for you and your customers to use.

Clover Mini 3 runs on cloud-based software, enabling easily accessible business information wherever you are, from a computer, tablet, or mobile phone.

Customize your system with apps from the Clover app market, with tools to empower any business to be more successful.

The all-in-one mini POS system for business

User-Friendly Interface

Start taking orders with minimal training.

Fast Processing Speed

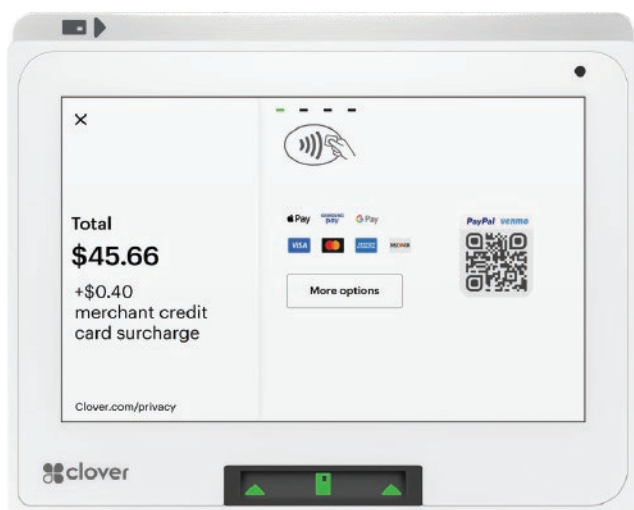

Cut chip card transaction time down to under 3 seconds and serve more customers.

Anywhere, Anytime Access

Access your data anywhere you need to run your business—on the floor, office, or on the road.

Inventory at Your Fingertips

Keep your inventory organized and accessible with categories, labels, modifiers, and variants.
