

Why Switch to RewardPay Choice?

Discover Your Savings

Start the next chapter of your business with Payroc. Implement credit card surcharging and accept credit cards at greatly reduced costs with 100% compliance.

Payroc is committed to helping you reinvent your future and rewrite what you thought was possible with the best in payment processing. You can expect 50-70% savings on your payment processing costs.

RewardPay Choice is fully automatic and reconciliation is simple.

Why businesses switch to RewardPay Choice:

Savings

Reduce your cost of payment acceptance

Compliance

Compliant with major credit card networks & individual state restrictions

Integration

Seamless integration with compatible POS systems

Automation

Automatic surcharge alert & notice of alternative payment options

How to save 50-70% on payment processing:

1

You submit a merchant processing statement

2

We do a deep dive & a cost-savings analysis

3

We process your app and get the ball rolling

4

More \$\$\$ in your pocket
