

PERSONAL PROTECTIVE EQUIPMENT CHECKLIST

Review and complete the personal protective equipment safety checklist, at least once a month.

DATE: _____ FACILITY: _____

COMPLETED BY: _____ LOCATION: _____

EYES	TYPICAL OPERATIONS OF CONCERN	YES	NO	N/A
Do employees perform tasks or work near employees who perform tasks that might produce airborne dust or flying particles?	Sawing, cutting, drilling, sanding, grinding, hammering, chopping, abrasive blasting and handling punch press operations			
Do your employees handle, or work near employees who handle, hazardous liquid chemicals or do they encounter blood splashes?	Pouring, mixing, painting, cleaning, siphoning, performing dip tank operations, and providing dental and health care services			
Are your employees' eyes exposed to other potential physical or chemical hazards?	Battery charging, installing fiberglass insulation and using compressed air or completing gas operations			
Are your employees exposed to intense lights or lasers?	Welding, cutting and performing laser operations			
FACE	TYPICAL OPERATIONS OF CONCERN	YES	NO	N/A
Do your employees handle or work near employees who handle hazardous liquid chemicals?	Pouring, mixing, painting, cleaning, siphoning and performing dip tank operations			
Are your employees' faces exposed to extreme heat?	Welding, pouring molten metal, smithing, baking, cooking and drying			
Are your employees' faces exposed to other potential irritants?	Cutting, sanding, grinding, hammering, chopping, pouring, mixing, painting, cleaning and siphoning			
HEAD	TYPICAL OPERATIONS OF CONCERN	YES	NO	N/A
Is it possible for tools or other objects to fall from above and strike your employees on the head?	Workstations or traffic routes located under catwalks or conveyor belts, construction, trenching and utility work			
When your employees stand or bend, are their heads near exposed beams, machine parts or pipes?	Construction, confined space operations and building maintenance			
Do your employees work with or near exposed electrical wiring or components?	Building maintenance; utility work; construction; wiring; work on or near communications, computer or other high-tech equipment; and arc or resistant welding			
FEET	TYPICAL OPERATIONS OF CONCERN	YES	NO	N/A
Could tools, other heavy equipment or other objects roll, fall onto or strike your employees' feet?	Construction, plumbing, smithing, building maintenance, trenching, utility work and grass cutting			
Do your employees work with or near exposed electrical wiring or components?	Building maintenance; utility work; construction; wiring; work on or near communications, computer or other high-tech equipment; and arc or resistant welding			
Do your employees work with explosives or in an explosive atmosphere?	Demolition, explosives, manufacturing, grain milling, spray painting, abrasive blasting and work with highly flammable materials			
Do your employees handle chemicals that might irritate their skin, or do they come into contact with blood?	Pouring, mixing, painting, cleaning, siphoning, performing dip tank operations, and providing health care and dental services			

PERSONAL PROTECTIVE EQUIPMENT CHECKLIST

HANDS	TYPICAL OPERATIONS OF CONCERN	YES	NO	N/A
Do your employees' hands come into contact with tools or materials that might scrape, bruise or cut them?	Grinding, sanding, sawing, hammering and material handling			
Do work procedures require your employees to place their hands and arms near extreme heat?	Welding, pouring molten metal, smithing, baking, cooking, and drying			
Are your employees' hands and arms placed near exposed electrical wiring or components?	Building maintenance; utility work; construction; wiring; work on or near communications, computer or other high-tech equipment; and arc or resistant welding			
BODY	TYPICAL OPERATIONS OF CONCERN	YES	NO	N/A
Are your employees' bodies exposed to irritating dust or chemical splashes?	Pouring, mixing, painting, cleaning, siphoning, performing dip tank operations, machining, sawing, battery charging, installing fiberglass insulation, using compressed air or completing gas operations			
Are your employees' bodies exposed to sharp or rough surfaces?	Cutting, grinding, sanding, sawing, glazing and material handling			
Are your employees' bodies exposed to acids or other hazardous substances?	Pouring, mixing, painting, cleaning, siphoning and performing dip tank operations			
EARS/HEARING	TYPICAL OPERATIONS OF CONCERN	YES	NO	N/A
Are your employees' exposed to loud noise from machines, tools or music systems?	Machining, grinding, sanding, or working near conveyors, pneumatic equipment, generators, ventilation, fans, motors, and punch and brake presses
