

Bill Pinnacol Electronically

Did you know that billing Pinnacol Assurance through electronic data interchange (EDI) results in faster review and payment of your bills? Providers do not need to sign up with a specific clearinghouse to submit electronic bills. If your clearinghouse of choice has Pinnacol's payer ID, your electronic bills will be routed to Pinnacol for processing.

Pinnacol has partnered with two clearinghouses to receive electronic bills. These clearinghouses were selected because they allow Pinnacol to accept medical records electronically.

Providers do not need to transition to one of these clearinghouses as both vendors work through other intermediary options.

Carisk Intelligent Clearinghouse

/ Enroll: <https://www.cariskic.com/Signup.aspx>

/ Phone: 888.207.6366

/ Pinnacol payer ID number: **E4050**

Data Dimensions

/ Website: <https://datadimensions.com/pinnacol-assurance/>

/ Phone: 800.297.6909

/ Email: info@datadimensions.com

/ Pinnacol payer ID number: **CB746**

We hope you'll consider EDI as your only billing option. Not only will you get paid faster, but can take advantage of submitting medical records that are available with the bill. If you are not set up for EDI, and it sounds right for your clinic, please contact a clearinghouse of your choice to initiate EDI billing.
