The screenshot shows the NCCI Class Look-Up tool interface. At the top is the NCCI logo and the title "Class Look-Up". Below this is a navigation bar with links: Search, View Updates, Glossary, Atlas Impacts, and About. The main search area contains several dropdown menus and a text input field. The "What would you like to look up?" dropdown is set to "Class Codes". The "Code Elements" dropdown is set to "13 of 34 Items Selected". The "Select State(s)" dropdown is set to "All States Selected". The "Phraseology Status" dropdown is set to "Active". Below these is a "Search By" dropdown set to "Code Number". A text input field below the "Search By" dropdown contains the placeholder text "Enter class/rate code numbers separated by commas". There is a link "Show me how to search" and a "Search" button. A "Clear" link is also present.
