

Insurance as easy as it should be.

We're an admitted small commercial market made to get business off your desk and on the books hassle-free.

Built for agents from day one

From the beginning, we've helped make agents and brokers the trusted advisor for small business. Easier workflows, with no paperwork, cumbersome applications, or unresponsive underwriters means you can focus on your clients.

Better insurance for all

We offer a suite of tailored P&C products and tech-enabled experiences designed to empower today's insurance agents to say 'yes'(profitably!) to every small commercial client.

Competitive products

We're always building new products to best meet the needs of your small commercial clients.

A Better BOP

Businessowners' Policies (BOP) bundle property, liability, and business interruption coverages into a single policy, protecting against equipment damage, customer lawsuits, lost business income due to a covered event like a fire, and more.

Workers' Compensation That Works

Workers' Compensation Policies (WC) protect your small business employees from work-related injuries such as slips, falls, lacerations, or muscle strains.

[Learn more](#)

Professional Liability That Truly Protects

Professional Liability Policies (PL or E&O) guard your clients from lawsuits and claims related to professional errors. PL is a monoline product that can be bundled with other common insurance products.

[Learn more](#)

Greater General Liability

General Liability Policies (GL) protects your small business clients in the event of a claim (property damage or bodily harm) from customers, the public, and contractors, the public, and contractors. This is the most common insurance for small businesses.

No Fear of Floods

Flood Insurance Policies protect businesses from losses directly caused by flooding and help them recover quickly. The average commercial flood claim is \$90,000.

[Learn more](#)

Smarter Cyber

Active Cyber Insurance protects your clients from digital risks including stolen funds, lost business income, cyber extortion, breach response, and other costs that result from a security failure or data breach.

Why you'll love working with us

Out with the old ways, in with the new policies. No forms, no hassles, no headaches.

Simple to quote, easy to bind

Our product suite gives your small business clients customized coverage in minutes. See how simple (and fast) it is to get a quote.

One portal to rule them all

A seamless experience from quote to renewal, and beyond – including accounts, invoices, a handy appetite checker, and rewards program built in.

Cut the cord with ACORDS

Say goodbye to outdated ACORD forms and paperwork. No signatures on bind. No mandatory loss runs. With Attune, our portal is the application.

Live customer support

Our responsive, dedicated team of underwriters and customer support agents are available via chat, phone, and email to help answer questions or provide policy support.

Paperless direct bill

Our online experience doesn't just benefit you, it benefits your clients. With our online and direct billing, your clients receive immediate notifications about payment confirmation, policy status, and due dates.

Intelligent automated underwriting

Our team of insurance experts combine technology and big data analytics to determine the eligibility of most risks in minutes.

Our appetite

Your small business clients across the country have a home at Attune.
Here's a preview of what you can write with Attune.
