# THE BASWARE NETWORK

## THE FOUNDATION FOR SMARTER BUSINESS DECISIONS

The Basware Network makes doing business easy. It lets you send and receive orders, invoices, credit notes and catalogs - quickly, simply and with fewer errors. No wonder it's the network of choice for over two million organizations, across more than 175 countries.

### LEVERAGING THE WORLD'S LARGEST OPEN BUSINESS NETWORK, YOU CAN:

- Source and connect with new suppliers.
- Easily onboard suppliers with flexible invoice delivery options.
- Connect with all suppliers, ranging from large multi-multi-nationals to mom-and-pop businesses.
- Replace slow paper invoices with electronic invoices.
- Provide suppliers flexible ways to submit invoices via the Basware portal, PDF, email, paper, or B2B integration.
- Enjoy the accessibility offered by our 220+ global partner networks and over 2 million buyers and suppliers.
- Increase efficiency and compliance and accelerate approvals and payments.

# PROCURE-TO-PAY AUTOMATION

## THE PATH TO SUSTAINABLE SAVINGS

With our Procure-to-Pay solution, you can maximize savings, efficiency, visibility, compliance and control - across all of your financial and procurement operations.

What's more, because it's cloud-based, it can connect all your people - no matter where they are. And as your business and workforce grows, the solution can grow with you.

## WITH BASWARE, YOU CAN STREAMLINE AND SIMPLIFY ALL YOUR YOUR PROCURE-TO-PAY PROCESSES

### Procurement

Automate procurement processes to make it easy for users to purchase goods and services they need.

Realize negotiated savings by making sure preferred suppliers, contract terms and policies are visible and accessible to everyone throughout the buying process.

### Accounts Payable

Accelerate invoice processing cycles and reduce processing costs by eliminating data entry errors and by leveraging advanced validation and automated routing and workflow.

### Payments

Enhance spend visibility and centralize reporting for all your transactions and streamline payment processes by getting rid of paper-based checks.

# PREDICTIVE ANALYTICS

## THE SECRET TO STAYING A STEP AHEAD

Managing spend, payments and cash flow has never been easier with Basware's predictive, actionable analytics.

You can see, at a glance, your business' spend – automatically categorized – and quickly identify maverick spending to help each function spend smarter.

You can drill into process bottlenecks, pending payments and supplier performance, across the entire financial supply chain. With greater visibility across your invoices, you can increase financial control and improve cash flow.

## WITH BASWARE ANALYTICS YOU CAN:

- Control spend and risk with actionable, predictive analytics
- Make better decisions with total spend and cash flow visibility
- Access information anywhere, in the office or on-the-go
- Drill into process bottlenecks, payment history and financial KPIs
- Consolidate spending and right size your supply base

# BASWARE FINANCING SERVICES

## THE FUEL FOR BUSINESS GROWTH

Whether you're looking to optimize your cash flow or release capital trapped in your balance sheet, our flexible Financing Services solutions can help.

You'll get the financial insights you need to negotiate better contracts, extend your payment terms, capture early payment discounts and drive your supply chain

financing strategy. With flexible payment options, you can reduce risk and payment friction for a healthier supply chain and stronger cash position.

## WITH BASWARE FINANCING YOU CAN:

- Grow your business with smarter cash flow management
- Improve payment terms while ensuring your suppliers get paid on time
- Get accurate insights to optimize payment and working capital strategies
- Use excess cash to capture early payment discounts
- Release working capital back in to your business
- Implement continual process optimizations to ensure business success in the long and short term

# REALIZE TOMORROW'S FINANCIAL GOALS TODAY

Late payments, invoice errors, inaccurate financial data, trapped capital - in today's competitive landscape, your business can't afford these sorts of setbacks. You need to be operationally and financially fit, so you can grow your business and stay competitive. And we can help you do just that.
