#### WHY BASWARE?

- 1. The world's largest open commerce network You get limitless reach and connection. How? Our network, which is VAT compliant in over 50 countries, has more than 2 million buyers and suppliers already transacting on it. Through our interoperability agreements with over 220 global networks, suppliers not directly on the Basware Network still reach you, allowing fast, easy adoption from suppliers who are already transacting electronically.
- 2. 100% supplier connectivity We can get all your suppliers connected because we can convert all types of invoices and work with any size or sophistication level of supplier. Plus, we work with you to onboard your suppliers so streamline adoption. Why would you settle for anything less than 100%?
- **3. Advanced Analytics** With Basware Analytics you get actionable insights that help you fix process bottlenecks, control spend, forecast cash flow, minimize risks and optimize your working capital.
