**SPRING 2026 LAUNCH**

The WX Citadel is built for those who push limits. Its toric design follows the natural shape of the eye for sharp, distortion-free vision. Pivoting side shields and a durable, lightweight frame offer adaptable protection in any environment. High-traction rubber on the nose and temples keeps the fit locked in, even at full speed. Interchangeable, shatterproof lenses let you adjust to changing light in seconds. Tough, precise, and built to perform, the WX Citadel will never back down.

## 1 SLEEK, LOW-PROFILE, AND DURABLE FRAME DESIGN

Lightweight, flexible construction with low-profile temples for all-day comfort—ideal for use with helmets, ear protection, or headsets in demanding environments.

## 2 INTERCHANGEABLE SHATTERPROOF LENSES

Offer 100% UV protection and optimal vision in all environments. Additional lenses sold separately.

## 3 HIGH-GRIP NOSE PADS AND TEMPLE TIPS

Designed to stay put and stay comfortable, even during intense activity.

## 4 REMOVABLE AND PERMANENT SIDE SHIELDS

Provides added lateral protection when needed but are easily detachable for versatile wear.

- Assembled in America

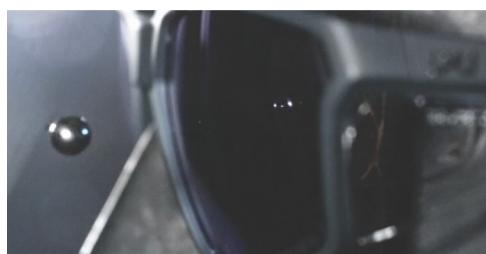

## ADDITIONAL ACCESSORIES

- Black Zippered Case (DN800L)
- WX Hard Case 2/3 Lens Pack (DN770S3)
- Microfiber Bag (DN900)

### ANSI HIGH-MASS IMPACT TEST

Wiley X ANSI Z87.1+ frames and lenses must withstand the impact of a 1.1 lb projectile dropped from a height of 50" to ensure your eyes are protected from unexpected blunt force impacts.

### ANSI HIGH-VELOCITY IMPACT TEST

Wiley X ANSI Z87.1+ frames and lenses must withstand the impact of a .25" diameter steel ball. For spectacles, the projectile must be traveling 150-160 fps and for goggles, the projectile must be traveling at 250-260 fps.

### VO BALLISTIC TESTING

Select non-polarized WX Citadel styles meet U.S. military standards for ballistic eye protection. For spectacles the projectile must be traveling 700-725 fps.

### ANSI Z87.1+ SIDE SHIELDS

All Citadel styles come with removable and permanent side shield options to meet ANSI Z87.1+ compliance.
