

# WILEY X ARIES

## MAXIMUM DEXTERITY PLUS PERFORMANCE

The Aries is a powerful combination of protection and performance. Constructed of 100% Nomex® knit, with sheepskin leather in high-wear areas, the flame-resistant Aries is flexible without sacrificing durability. The velcro strap at the back of the wrist allows quick adjustability for a snug and secure fit, while three exposed fingertips give you dexterity and sensitivity. The custom design of the Aries matches US military uniforms.
