

WILEY X SABER ADVANCED

PURPOSE-BUILT PROTECTION FOR ANY ENVIRONMENT

Ready for action and virtually indestructible, the Saber Advanced is the model that helped establish Wiley X as a ballistic-eyewear powerhouse. From its aggressive, semi-rimless presentation to adjustable telescoping temple arms, the Saber Advanced both looks and acts the part of the ultimate protector. Available in one, two, and three-lens kits, the easily changeable lenses let you adjust to varied lighting and conditions, while an adjustable wire-core nose-piece and foam insert assure a customized and slip-free fit in even the most extreme environments.
