

# SureDcon™ P

## DE-OILING SURFACTANT

### OVERVIEW

SureDcon™ P is a non-ionic surfactant that lowers surface tension and acts as a foaming agent. This surfactant is primarily used for de-oiling, decommissioning or decontamination of pipelines. It can help disperse some of the N-compounds that are only slightly soluble or dispersible in water by themselves.

#### APPLICATIONS

- De-oiling of pipelines
- Decommissioning of pipelines
- Foaming agent for foam based cleaning

#### FEATURES

- Neutral pH
- Non-ionic
- High quality foam

#### BENEFITS

- Easy to store and transport
- Acts as a surface tension reducer
- Can be used to prepare stable foams
- Compatible with other additives
