# A NOTE FROM OUR DIRECTOR

Dearest Friend of Israel,

**“Comfort, yes, comfort My people!’ says your God.”  
– Isaiah 40:1**

Inspired by the Lord’s command to comfort His people, this year has brought us countless opportunities to share physical relief and eternal hope with the Jewish people. In every single one of those moments, you have played a key role.

It’s because of your incredible partnership that The Friends of Israel Gospel Ministry can minister in Christian love to God’s Chosen People, offering vital support in their time of need and sharing the lasting hope found only in the Messiah. This hope, so richly rooted in God’s promises and fulfilled in His Son, is indeed a light for all people, a truth we are privileged to share far and wide.

As you open this year’s Gift Catalog, we invite you to prayerfully explore the many meaningful ways you can continue to bless the Jewish people. As conflict and crisis continue to affect so many communities, we’ve expanded the catalog to reflect the urgent needs of this moment.

Because of your compassion, lives are truly being touched. Our Jewish friends all over the world are receiving essential food, vital medical care, and the life-changing Good News of God’s Son, the Messiah. As we continue to combat rising antisemitism, your generosity stands as a powerful, tangible expression of God’s boundless love for His people.

Thank you, from the bottom of our hearts, for standing so faithfully with us. We are deeply grateful for your unwavering support and for prayerfully considering a special gift today to help us continue blessing Israel and the Jewish people.

In Messiah’s love,

## Empower a Pastor. Enrich a Church.

Imagine learning American history from someone who has never set foot in the United States. That's the reality for many pastors teaching the Bible—most have never been to Israel, the very land where Scripture comes to life in the place God gave to His Chosen People.

Friends of Israel's **Pastors' Study Trips** are designed to change that. When pastors return, they do so with more than memories—they bring fresh perspective, deeper biblical understanding, and renewed passion to their pulpits. Their congregations benefit richly as biblical teaching comes to life and love for the Jewish people grows.

Many pastors simply can't afford this kind of ministry-transforming opportunity. Your gift helps cover the cost for a pastor in need, giving him the chance to study God's Word in the land where it happened and has yet to happen again.

**When you send a pastor to Israel, you're not only uplifting his ministry—you're equipping his entire church.**

## Be the Hands and Feet of Christ in Israel

The most impactful way to engage a new generation of believers and to illustrate the importance of Israel is by taking them to the Holy Land to serve the Jewish people directly. While some refer to this as “experiential learning,” we see it as a vital ministry. This hands-on experience deeply engraves the significance of the Jewish people in the hearts of volunteers and vividly reflects the power of Christian love in the lives of Israelis.

Many of these volunteers are young and require financial assistance to make the journey possible. Can you lend a hand? By sponsoring a volunteer, you are sending the love of the Messiah straight to the Jewish community and cultivating a lasting connection to Israel in the heart of a young believer.

Your generosity can have a lasting impact, generating a ripple effect of faith and love that transcends generations and borders. By supporting a volunteer today, you can help shape a brighter future for Christian–Jewish relations.

By supporting this journey, you help turn a calling into a reality for individuals destined to serve in Jewish ministry. Your gift today will help launch, equip, train, and prepare new FOI missionaries, empowering them to serve the Jewish community full-time in our neighborhoods and to teach in our churches. ## Stand With Europe's Jewish Communities

Across Western Europe, rising antisemitism—fueled in part by a dramatic increase in anti-Jewish sentiment from immigrant populations—is driving fear and uncertainty among Jewish families. In France alone, nearly half the Jewish population is expected to leave in the coming years. The threat is real, and the need for support is urgent.

Friends of Israel workers in France, Germany, and the United Kingdom are actively ministering to Jewish communities, offering encouragement, practical help, and the love of Christ. Your gift today ensures they are not forgotten. You are telling them, “You are not alone.”

Your gift to the Western European Support provides tangible help and spiritual comfort and guidance to Jewish friends in Europe.

## Experience. Learn. Serve.

There's no better way to understand the Jewish people than by encountering their culture, faith, and daily life firsthand. The FOI Encounter program offers this powerful opportunity—not through a textbook, but through real-life interaction and service.

This immersive experience is perfect for high school students, college-aged young adults, and adults of any age who want to grow in their understanding of Jewish life and ministry. Participants will tour Orthodox communities in Brooklyn, visit a synagogue, attend a Sabbath service, hear from respected Jewish leaders, and share a Sabbath meal with a Jewish family. They'll also serve through hands-on outreach to meet real needs in the local Jewish community.

We intentionally subsidize the cost of the program to make it accessible—especially for young people eager to explore how God may be calling them into ministry or missions.

Your gift helps make this life-changing experience possible. By giving, you're investing in future leaders and deepening the church's connection to God's Chosen People.

These boxes are often the only gifts recipients receive during the holidays, and they serve as a powerful reminder that they are not alone or forgotten. More than just a kind gesture, each box opens the door to meaningful relationships built on trust, care, and the love of the Messiah. Delivered by our dedicated field workers, your gift provides practical help and spiritual encouragement, sharing Christlike compassion with Jewish people right here at home.

## Serve Hot Meals for Jewish Families in Ukraine

Soaring inflation and ongoing conflict have left many Jewish families in Ukraine—especially the elderly, refugees, and large families—without access to nutritious food. In cities like Chernivtsi and Kyiv, our Hot Kitchens serve as a vital source of help and hope. Each week, more than 2,600 hot meals are prepared and distributed, including weekday portions and traditional Shabbat dinners.

Your gift to FOI's Eastern European Relief Hot Meals provides warm, nourishing meals to those who need them most. Whether it's a refugee seeking stability, a child in a large family, or a senior struggling to afford groceries, your generosity brings comfort, dignity, and a taste of tradition to Jewish homes across Ukraine.

## Give Opportunity to Rest in God's Word

Each summer, Jewish and secular seekers from Ukraine, Belarus, Latvia, the Czech Republic, and Poland gather for a unique Bible retreat. Many are encountering the Bible for the very first time—some even holding one in their hands for the first time. For those coming from war-torn regions of Ukraine, this retreat offers far more than study and fellowship—it provides peace, safety, and a moment to breathe.

Away from air-raid sirens and the constant fear of conflict, attendees find shelter, nourishment, and the calming presence of God's love. Your support for Holiday With the Bible makes this possible. You provide a safe space where hearts are opened, faith is nurtured, and God's Word can be received. Best of all, each participant leaves with his or her very own Bible—something many have never had before.

## Give Hope on Campus

Think back to your college days—walking across the quad, meeting friends, maybe even encountering someone who invited you to a Bible study or shared the gospel with you. Perhaps you showed up for the free food but left with a new life in Christ.

Today, countless students are walking the same paths—but many are turning away from their faith. Confusion, hurt, and cultural pressures are pushing them to question everything they once believed.

That's why The Friends of Israel is committed to reaching young adults right where they are: on campus. Through gospel-centered relationships, Bible studies, and mentoring, our campus ministry meets students in the middle of their doubts and points them to truth.

You can make an eternal impact. Your support helps us share the love of Jesus in a spiritually hungry environment—guiding students to grow in their faith instead of walking away from it.

## Bring Light and Life to Young Lives

Every day, children around the world are deeply impacted by war—losing the safety, joy, and innocence that childhood should bring. Each summer, hundreds of these children and their mothers from devastated Jewish communities across Eastern Europe find a place of rest and renewal at our camps nestled in the peaceful Polish countryside. This year, the need is greater than ever, with many coming from war-affected areas of Ukraine. At camp, children reclaim their childhood—enjoying fellowship, Bible study, warm meals, and freedom from the constant fear of air-raid sirens. Mothers breathe easier knowing their children are safe, cared for, and provided with their needs.

Our children's camp has quickly become one of the most vital ministries at Friends of Israel. For a precious time, these children experience joy and security, leaving camp with new clothes, shoes, a backpack, and a Bible. More importantly, they leave knowing God's love has touched their hearts—bringing hope, healing, and transformation that can only come through Jesus Christ. Your gift provides food and clothing, but most of all, it helps restore childhood and introduces these families to the life-changing power of God's love.

In this peaceful setting, many carry spiritual questions and are open to honest, heartfelt conversations about faith. Our team approaches these encounters with gentleness and respect, sharing testimonies and offering hope in a way that honors each individual’s journey.

Supporting the Meet at the Mountain backpacking ministry is more than providing a temporary stay—it is about cultivating meaningful relationships with the Lord. By investing in these young adults during a pivotal time, we help create a bridge for ongoing connection and spiritual growth. Your gift enables us to walk alongside Israeli backpackers, offering not only physical care but also a genuine opportunity to discover God’s love and purpose for their lives.

Through these trips, they deliver vital food packages, financial aid, medicine, Bibles, household essentials, and even beds, meeting both physical and spiritual needs.
