2019

**HALLIBURTON**

**Dear Members:**

The start of a new year offers many opportunities to connect with elected officials in Congress and in state capitals about the important issues facing Halliburton and the oil and gas industry in 2020. This is an election year, and we have a great opportunity to share our message with long-time allies and newer friends as well as potential future office-holders as they vie for open seats and challenge incumbents. Our outreach is important because the new Congress must understand the Company's position on issues that affect our bottom line. As our industry evolves and adjusts to changing markets and the development of game-changing technologies, relationships with the legislators who govern the way we work are critical to keeping our business competitive in today's global economy.

In 2019, HALPAC supported 78 candidates with contributions totaling nearly \$234,000. We will be even more active in 2020 and look to you, our members, to help us grow the PAC and shape public policy for years to come.

Halliburton employees play an integral part in the education and outreach efforts with our lawmakers. You can make a difference by staying informed on public policy issues, voicing your opinion with elected officials and contributing to HALPAC. The extent to which we can be successful in shaping public policy depends on our ability to build coalitions of lawmakers who support our vision. We sincerely appreciate your support and your contributions to the PAC.

Sincerely,

**The HALPAC Board of Directors**

### Multi-Candidate Status

Halliburton Company Political Action Committee is a Multi-Candidate, Non-Partisan Political Action Committee

### HALPAC CONTRIBUTION POLICY

Halliburton Company Political Action Committee (HALPAC) was established as a means for Company employees, through voluntary contributions, to support candidates whose views on matters affecting the industry represent the best interests of our Company and its employees. HALPAC is a Multi-Candidate, Non-Partisan Political Action Committee.

A candidate's eligibility for support from HALPAC is reviewed by the HALPAC Board, which considers the candidate's record on business-related issues; leadership and committee assignments for which the candidate might be eligible; the extent of Halliburton Company's facilities and employees within the candidate's district and state; and finally, the candidate's chances of being elected. Suggestions by employees are invited.

This publication is produced at the expense of Halliburton Company and the material set forth herein constitutes a communication of the views of Halliburton Company and is not the reproduction in whole or in part of any broadcast, transcript, tape or other written, graphic or other form of campaign materials prepared by a candidate, a candidate's committee or a candidate's authorized agent.

## **HALPAC CHARITABLE MATCH**

Halliburton values the contributions of its employees, not only to HALPAC but also to the communities where we live and work. To help our employees make the most of their contributions, Halliburton offers PAC-MATCH, a matching gift program. For every \$100 or more that you contribute to HALPAC, Halliburton will match that amount, dollar for dollar, and donate it in your name to a nonprofit organization of your choice. Over the last several years, as the generosity of our employees has grown through HALPAC, so has our charitable giving. Our charitable contributions extend to hundreds of organizations including churches, schools and research centers all aimed at improving the lives of those less fortunate.

The HALPAC Board encourages all HALPAC members to designate a charity and help us stretch your donation by matching your contribution to the 501 (c)(3) charity of your choice. We truly appreciate the generosity of our members and thank you for your donation to HALPAC and look forward to continuing to grow and give back.
