

## TECHNICAL DATA SHEET

### 1. Identification of the product and of the company/undertaking

#### Product identifier

8294598311 Quick Lock Backing Pad 32mm Grip Soft

#### Details of the supplier:

Company: Mirka Ltd  
Address: Pensalavägen 210  
FI-66850 Jeppo, Finland  
Phone: +358 20 760 2111  
E-mail: [sales@mirka.com](mailto:sales@mirka.com)

#### Emergency telephone number:

+358 20 760 2111  
Opening hours: Monday – Friday at 08:00 a.m. – 04:00 p.m. (UTC/GMT +2:00/+3:00)

### 2. Composition/Information on ingredients

Thermoplastics Nylon material for the hook PU foaming material for the soft interface.  
Thermoplastics ABS material for the pad backing.

### 3. Hazards Identification

Non Hazardous

### 4. First aid measures

Special Instructions : Not required  
Eye Contact: Not required  
Skin Contact: Not required  
Ingestion: Not required

### 5. Fire fighting measures

Fire Fighting: General extinction method can be used.  
Extinguishing Media: Any type of fire extinguishers may be used  
Water sprays are especially effective.

## 6. Accidental release measures

Personal Precautions: Not required.

Environmental Precautions: Not required.

Methods for cleaning up: Standard cleaning procedures.

## 7. Handling and storage

Handling: Smoking prohibited

Storage: Do not store near inflammable materials

Store in clean, cool, dry place

## 8. Exposure control / Personal protection

Technical measures for exposure controls: Not required.

Personal Protection: Not required.

Eye Protection: Not required.

Skin Protection: Not required.

Respiratory Protection: Not.

Other Protection: No other protection is necessary

## 9. Physical and chemical properties

Appearance: solid

Flammable properties: Flammable

Boiling point: Not available.

Melting point: About 150°C~200°C

Vapour pressure: Not available.

Solubility(Water): Insoluble

Explosion hazard: Not available

## 10. Stability and reactivity

Condition to avoid: Do not close to fire

Material to avoid: Avoid strong acid & strong alkalis

Hazardous decomposition product: Noxious fumes during thermal decomposition

**11. Toxicological information**

Acute toxicity: None  
Sensitization: Not detected  
Subacute, subchronic toxicity: Not detected  
Other information on health effects: No toxic reaction known

**12. Ecological information**

Biodegradation: Majority can be decomposed in nature  
Mobility: Immobile subject in nature  
Other toxicity: Not toxic

**13. Disposal consideration**

In the same way as normal waste according to local legislation, recycling, landfilling or incineration..

**14. Transportation information**

Not classified as a Substance hazardous for transport.

**15. Regulatory information**

Regulatory Information will regard this substances in your country or in your region should be examined by your own responsibility.

**16. Other information**

None
