TECHNICAL DATA SHEET

1. Identification of the product and of the company/undertaking

Product identifier

7915025004	AbraClean 150x25mm Medium, 4/Pack
------------	-----------------------------------

Details of the supplier:

Company: Mirka Ltd
Address: Pensalavägen 210
FI-66850 Jeppo, Finland
Phone: +358 20 760 2111
National contact: sales@mirka.com

2. Product description

AbraClean is a cleaning pad designed for efficient removal of dust and fine particles from sanded surfaces prior to painting or coating. AbraClean ensures a clean, residue-free surface that optimizes paint adhesion and finish quality.

3. Intended use

- Industrial and professional settings for the removal of dust and fine particles from sanded surfaces before painting or coating
- Use for automotive refinishing, woodworking, or general surface preparation

4. Properties

- Effectively removes dust from sanded surfaces before painting
- No greasing or smearing, ensures a clean, paint-ready surface
- Reusable and washable under water
