

COVID-19 Information for Medi-Cal Members

COVID-19 vaccines

- Medi-Cal members can get the COVID-19 vaccine at no cost.
- You can help protect yourself and the people around you by getting the vaccine.
- Everyone 6 months and older can get the COVID-19 vaccine.
- You are fully vaccinated two weeks after receiving the second of a two-dose vaccine or the single dose. Your doctor may also recommend a booster dose of the vaccine.

Here are some ways that you can find COVID-19 vaccine locations near you:

- Visit California's My Turn website at <https://myturn.ca.gov>.
- Call My Turn at 833-422-4255.
- Call your doctor to schedule a vaccine appointment.
- Visit a pharmacy.

Continue to follow safety measures to avoid getting or spreading the virus.

Follow face mask guidelines for your county.

Wash your hands.

Stay home if you are sick and avoid contact with anyone who may be sick.

COVID-19 testing and treatment

- If you are having symptoms of COVID-19, get tested for it as soon as you can. You can order free tests at www.COVIDtests.gov.
- A new program is available called Test to Treat.
- COVID-19 medications are now available through your doctor, local pharmacies and health clinics. If you have COVID-19 symptoms and test positive, you can get medication treatment right away.

To learn more about COVID-19, visit the Centers for Disease Control and Prevention (CDC) website at www.cdc.gov.
