

CLEAR SKIN STARTER KIT

**Skin Confidence
Starts Here**

Your all-in-one CLEAR SKIN STARTER KIT has everything you need to visibly improve your skin with a twice daily routine. It also perfectly complements microneedling. Explore this step-by-step guide for correct application.

Cleanse

CLR FOAM CLEANSER™

USE AM & PM

A skin-clarifying blend of natural amino acids, salts, manuka honey, herbal and fruit extracts help regulate oil production and aid in killing P-acne bacteria.

DIRECTIONS:

Apply an almond-sized amount to fingertips. Add water and gently massage into the skin with light circular motions. Avoid the eye area.

Rinse thoroughly with lukewarm water. Pat dry.

EXPERT TIP:

CLINIPREP is our anti-microbial spritzer cleanser for problematic skin – antibacterial, antifungal, antimicrobial and antiviral. Get absolute confidence that your skin is impeccably purified with just a quick spritz.

Cleanse

CLINIPREP+™

USE AS A SECOND CLEANSE
OR IMMEDIATELY BEFORE, DURING
AND AFTER MICRONEEDLING

Meet the ultimate skin-cleansing formula that delivers fast and effective antimicrobial protection. Featuring a unique, high-purity, stable version of Hypochlorous Acid, CLINIPREP+ also provides the ideal condition for rapid skin rejuvenation without stinging, drying or irritating skin.

Use CLINIPREP+ to help reduce the appearance of acne and problematic skin concerns.

DIRECTIONS:

Apply directly onto the skin using the ECO-friendly BOV Airless Continuous Spray Can.

Ensure the area is thoroughly wet for each application.

Hydrate

CLR LOTION™

USE AM & PM

Deeply hydrates while simultaneously balances oil production, removes acne-causing impurities, and reduces the potential for future breakouts with the proven ingredient niacinamide, combined with manuka honey, hyaluronic acid, peptides, oligopeptide-10, salicylic acid and lactic acid.

DIRECTIONS:

Using clean fingertips, massage 1-2 pumps of CLR LOTION into the skin.

Avoid the eye area.

Clarify

CLR CLARIFYING MASK™

USE 2-3 TIMES A WEEK

The clay and activated charcoal ingredients in this gentle, nourishing mask effectively draw out toxins and excess oil leaving a clarified complexion. While the vegan pre-probiotic acts as a natural preservative that also supports the skin's natural barrier function to reduce irritation and boost radiance.

DIRECTIONS:

After cleansing, while skin is damp, apply an almond-sized amount of Mask. Gently glide over face or problem areas allowing it to set for 5-10 minutes or until dry.

Use lukewarm water and gauze to gently yet thoroughly rinse off.

Follow by moisturising with CLR LOTION.

Avoid the eye area.

Protect and camouflage

COVER RECOVER™

USE AM & AS REQUIRED

Packed full of powerful anti-ageing vitamins A, C and E, botanicals, peptides, probiotics and hyaluronic acid, this medicated SPF provides flawless camouflage for any imperfections.

DIRECTIONS:

Apply 20 minutes before going out into the sun, and reapply every 3 hours during extended periods of sun exposure.

Intensify

BRITE LITE™ 3D SCULPTURED MASK

USE WEEKLY

This mask contains a powerful duo to clarify your skin. Kojic Dipalmitate helps brighten and lighten your complexion while also offering antioxidant, antibacterial and antifungal benefits. While Squalane provides anti-ageing, anti-inflammatory and oil balancing properties to keep skin looking clear.

DIRECTIONS:

Apply Dp Dermaceuticals BRITE LITE 3D SCULPTURED MASK to the face starting at the forehead, wrapping around the ears, then smoothing out over the remainder of the face.

Allow the mask to activate for 10-30 minutes before removing and discarding. Massage any excess skin brightening mask residue into the skin.

EXPERT TIP:

Accelerate your results by adding clinical or at-home Dermapen procedures into your routine. The CLEAR SKIN STARTER KIT will perfectly prepare your skin for microneedling, and the visible effects will be incredible.

Accelerate Results with **Dermapen HOME™**

Proven to visibly reduce the appearance of acne and pores, use our home microneedling device weekly to boost absorption of Dp Dermaceuticals for faster results.
