Built in 1926, Aztec Theatre is San Antonio's premier events facility and considered by many a Meso-American architectural work of art. As one of the Alamo City's most cherished historical landmarks, it is the perfect location to host your corporate event, private concert, wedding, reception or business meeting. Located just blocks from the Henry B. Gonzalez Convention Center, Aztec Theatre accommodates 25 to 2,000 guests, and our talented staff handles every detail, so you don't have to!

With its dramatic combination of authentic columns, reliefs and artifacts, the Aztec Theatre boasts 35,000 square-feet of versatile event space, along with access to the world's greatest musical entertainment, full-service event production, state-of-the-art lighting and sound, custom menus and mixology. Its multi-tiered Music Hall is ideal for hosting receptions up to 2,000 and seated events for 350 guests. The two-story Lobby evokes awe with its ornate décor and famed chandeliers. For more intimate gatherings, the Warrior Room is a welcoming location for smaller groups.
