# THIS IS BROOKLYN BOWL

Located in the heart of Fishtown, Brooklyn Bowl Philadelphia is a one-of-a-kind venue featuring 38,000 square-feet & quoted as “One of the most incredible places on Earth” by Rolling Stone.

So much more than a bowling alley, this unique warehouse-sized venue incorporates 24 state-of-the-art lanes with a 1,200 person capacity space and tops it off with “spot-on” food courtesy of Blue Ribbon: quite simply, it’s a blast and perhaps the best new venue in Philadelphia. Our fans think “this must be what heaven looks like.”

The venue features multiple locations for events of all sizes. State-of-the-art concert and production capabilities with the built-in entertainment of bowling.

National acts such as Elvis Costello, The Roots, Phil Lesh, Jane’s Addiction, Ms. Lauryn Hill, O.A.R., The Green and more have graced our stage and ingrained soul into our walls.

# FOOD BY BLUE RIBBON AT BROOKLYN BOWL

## Blue Ribbon & The Bromberg Brothers

Bruce and Eric Bromberg have been guiding forces in the culinary world for over 20 years. Together they seamlessly melded their French expertise with their American roots to create the original Blue Ribbon in 1992. It was here that they combined their dream restaurant, which offered an eclectic range of foods in a space that was casual, unfussy, and welcoming.

This sparked success for them in the industry and Blue Ribbon became the place for chefs, restaurateurs, and happy guests. The Bromberg Brothers operate Blue Ribbon Restaurants in New York City, Los Angeles, Las Vegas, and three of these restaurants reside at Brooklyn Bowl venues.
