

**Kansas
Insurance & Financial
Services Education
FOUNDATION**

Support the Future of the Financial Services Industry

Your donations could help college students reach their career goals and support the growth of the financial services industry in Kansas.

We're committed to expanding the future of the financial services workforce in Kansas through education. We incentivize students through scholarships awarded in conjunction with a university certificate program, to help them gain industry knowledge and build a talent pipeline targeting the next generation of professionals for the financial services industry.

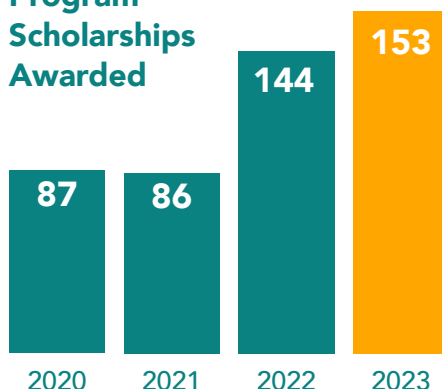

Certificate Program
First Introduced in 2016

7 Kansas Universities
Participating in 2023

Benefit to Donors:

- Sustaining the future of the financial services industry in Kansas
- Making connections with students who are earning a certificate in a dedicated financial services program
- Promoting internship opportunities at your company
- Partnering and networking with educators at leading Kansas universities
- Recognition as a donor on the KIFSEF website and other resources

Program Scholarships Awarded

Program Certificates Awarded

Your support helps us meet the growing demand for professionals in the financial services industry and makes it more attractive for students to pursue a career with your company.
