

# Swab Extenders | Collapsible Reach Extender

Hygiena™ Swab Extenders are easy-to-use, collapsible reaching aids. Available in multiple lengths, swab extenders enable access to hard-to-reach test areas. A clip holds the swab securely in place.

## Benefits:

- Collapsible for convenient storage
- Easy-release clip holds swab in place securely
- Perfect for testing tanks, vents, hoppers, ceilings, and large equipment with any test device
- Compatible with all Hygiena test devices
- Available in two sizes: 48 inches (1.2m) or 13 feet (4 m)

Catalog No.	Description	Quantity
EXT48	48" (1.2 m) Swab Extender	1
EXT13	13' (4 m) Swab Extender	1
