AMERICAN MILITARY UNIVERSITY
111 West Congress Street, Charles Town, WV 25414
877-755-2787

American Military University is part of American Public University System (APUS), which is accredited by the Higher Learning Commission (hlcommission.org), an institutional accreditation agency recognized by the U.S. Department of Education. American Military University is not affiliated with the U.S. military. For more about our graduation rates, the median debt of students who complete a program, and other important information, visit www.apus.edu/disclosure.

The University reserves the right to accept or deny credits according to the policies outlined on the University website. Actual time to completion will be based upon transfer credit evaluation and eligibility.

**Zero-out-of-pocket tuition may be possible for undergraduate students when the Preferred Military Rate is combined with other forms of financial assistance, such as military TA or federal Pell grants. The Preferred Military Rate, which is $250/credit hour for undergraduate and master's level courses, is available to all U.S. active-duty servicemembers, National Guard members, and Reservists. Military family members, including parents, spouses, legal partners, siblings, and dependents are also eligible to receive the Preferred Military Rate. The Preferred Military Rate supersedes all university grants and special promotions and cannot be combined with other special pricing. Please note that a technology fee applies to master's-level courses.

UNDERGRADUATE AND GRADUATE PROGRAMS

EDUCATING THOSE WHO SERVE

A UNIVERSITY FOR YOUR NEXT MISSION

American Military University (AMU), the #1 provider of education to the U.S. military and veterans,* offers affordable, accessible, and career-relevant education to all those who serve. Our student population extends to those in defense, national security, public safety, and related communities. AMU's classes are online and start monthly. With undergraduate classes averaging 19 students, you always have a front row seat because we make you, the student, our top priority.

*Based on FY 2019 Department of Defense tuition assistance data, as reported by Military Times, 2020, and Veterans Administration student enrollment data of students using the GI Bill® as of March 23, 2023.

GAIN HANDS-ON EXPERIENCE

Hands-on work is invaluable, regardless of your military or civilian calling. At AMU, you'll get that—whether it's using a lab kit delivered to you by mail to do a science assignment or logging in to our state-of-the-art online observatory to collect data. Your experiential activity is integral to your learning in the online classroom, where you'll collaborate with creative, curious students like you who enjoy developing and implementing solutions.

CONVENIENT & FLEXIBLE

As a leading provider of online higher education, AMU takes pride in supporting ambitious learners as they work to achieve their goals. With monthly course start dates, weekly class schedules with no set login times, and mostly 8-week course formats, you have more control to manage your studies.

EXPERT FACULTY

Imagine learning from a faculty member with experience from the Department of Homeland Security, NASA, or a major engineering firm. Our 1,700-plus faculty members include scholar-practitioners with relevant, real-world knowledge. They act as both guides and mentors, helping you build skills applicable in the workplace.

CONSISTENTLY AFFORDABLE

AMU offers our Preferred Military Rate to all U.S. active-duty servicemembers, National Guard members, Reservists, and their families, providing the freedom to pursue a higher education through reduced tuition rates, including the potential for ZERO out-of-pocket at the undergraduate level.** AMU also provides no-cost ebooks for all undergraduate and Preferred Military Rate-eligible master's-level students. Through our Transfer Credit Evaluation and Prior Learning Assessment services, you may be eligible for academic credit for previous education or training.

INDIVIDUALIZED SUPPORT

Connect with an admissions representative, academic advisor, classroom support rep, or student support team member by phone or email. Faculty can be reached online. Our career services team provides resume reviews, mock interviews, and virtual job fairs.
