APU American Public University

Making a Difference

From healthcare and cybersecurity professionals to business disruptors and those who save lives—our student body and alumni share an unwavering commitment to make a difference in their communities and across the nation. When you enroll at American Public University (APU), you join an impressive group of working professionals who are inspired to change the world one degree at a time.

Education Built Around You

APU is a leading provider of quality online education for motivated professionals worldwide. Recognized by the Online Learning Consortium for best practices in online education—we earned our reputation by always making students our #1 priority. Choose from 200+ degree and certificate programs with no set login times to experience quality education on your schedule, wherever you choose to live, work, and learn.

Respected & Accredited

APU is part of American Public University System (APUS), which is accredited by the Higher Learning Commission (hlcommission.org) an institutional accreditation agency recognized by the U.S. Department of Education. Programs in accounting, business, emergency and disaster management, fire science, health information management, nursing, and public health have earned specialized accreditation.

Consistently Affordable

While tuition and costs rise nationwide, APU consistently offers affordable rates without sacrificing the quality education you deserve. APU provides ebooks at no charge to students in undergraduate courses.* Through our Transfer Credit Evaluation and Prior Learning Assessment services, you may be eligible to earn academic credit for previous education or training.

Expert Faculty

Our students are taught by scholar practitioners with distinguished academic credentials. Many faculty members have held leadership roles working in their respective industries. They speak at top conferences, share industry insights in the classroom, and many work closely with academic and corporate partners to enhance curriculum and drive innovation.

Individualized Support

Connect with an admissions or academic advisor, librarian, or financial aid representative by phone, email, or chat. Advisors are available seven days a week. Faculty can be reached online. Our career services team provides resume reviews, mock interviews, and virtual job fairs.
