

Chime Go™

Interact More in Hybrid and Virtual Meetings

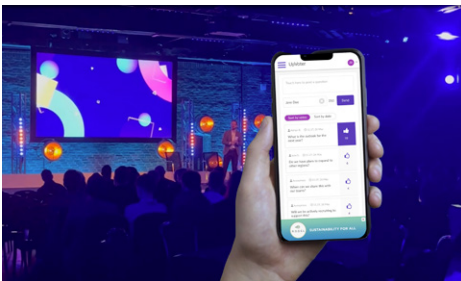

Chime Go is a quick, affordable and professional event microsite ideal for training, fundraisers, town halls, announcements, and other meeting formats.

When you need to put together a polished hybrid meeting, Chime Go is a quick, affordable and user-friendly solution.

For in-person meetings, participants benefit from having your agenda and event logistics handy in an app with your event branding. For virtual, Chime Go works as a microsite where participants can self-register and join

your broadcast on-demand or live with optional chat and engaging sentiment emojis. While everyone can ask or upvote questions to get the most out of their sessions.

Use Chime Go before, during and after your event to extend reach and accessibility. With Encore by your side, confidently take your hybrid event to the next level.
