Benefits

- Experience a **powerful full range of sound** to hear music, videos and presented content easily
- Enjoy **increased sound coverage** with exceptional speech clarity — and reduced feedback — that reaches farther distances equally and more efficiently
- Their **sleek, streamlined vertical design** improves the aesthetic of the space
- **Increase visibility** of the stage area, screen and presenters with its **smaller footprint**
- **Designed for flexibility**, easily repurposed to accommodate changing room setups, minimizing turnover time
