
The Season for
Celebration
Make this year's holiday event an experience to
remember with solutions that celebrate and connect.

Let the *Festivities* Begin

Memorable holiday events start here.

From the grand entrance to the final farewell, each touchpoint you curate adds to the success of your celebration. This season, design an experience that brings people together to celebrate, be inspired and make memories that last beyond the season.

Explore Holiday Looks

Every great event starts with a clear vision.

Whether your style leans warm and elegant, wintery fun or boldly celebratory, the right visual foundation transforms ideas into an inviting atmosphere. Inspired spaces welcome guests into an experience that feels cohesive, intentional and unmistakably festive.

Click the buttons to view interactive 360° event spaces and explore the benefits of each event solution by hovering with your mouse.

Turn your vision into experiences that connect with creative design and content.

Sharing highlights of a successful year or heartfelt messages to acknowledge achievement? Support the collective story of your event with event theme and branding, scenic concepts, stage design, video content and motion graphics from the **Encore Creative Studio.**

Add magic to your event with **Speaker Spotlight Bumpers** and **Cinematic Brand Content** that instantly connect with audiences and set an engaging tone.

First impressions shape how an event is remembered.

Support a smooth registration experience with **Encore RSVP,** your own branded site that draws attention to your event theme and offers participants the ability to personalize their preferences, like dietary needs. Use RSVP to send invitations, event reminders and check guests in the day of the celebration.

Add personalization and excitement to your event with an interactive **Welcome Wall** that displays participant headshots on an **LED wall or LED Banner** at check-in.

The result is fun for guests to connect with, take selfies with and share on social media as a “wow” moment.

Branded entrance tunnels complete the arrival experience and build anticipation before guests enter the celebration.

A **festive atmosphere** is curated with purposeful design choices.

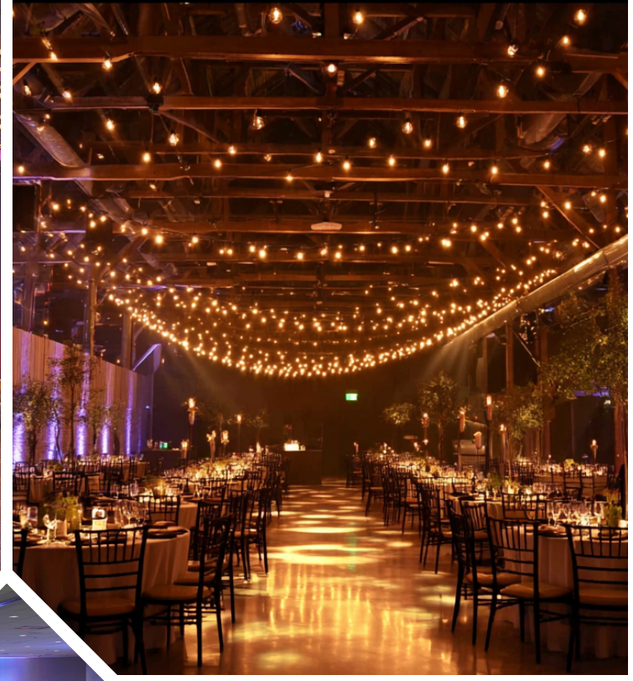

Together, **lighting** and **scenic** design make every area feel intentional and inviting. Shift mood and create ambiance throughout the event space with lighting. Draw attention to the stage and highlight key moments throughout the room with **lighting** that sets the tone with intention.

Transform environments into immersive holiday settings with **custom scenic** solutions that add depth and character. To add elegance and space definition or introduce texture and visual interest, we recommend drapery and scenic tile design.

Gather and *Connect*

Connection thrives in **spaces designed** for comfort.

Create natural gathering points for conversation and celebration with modular **scenic bars.** Invites guests to stay longer, relax and engage more deeply with one another with **soft seating.** When paired with lighting and textured scenic drapery or tiles, these spaces feel welcoming and easy to enjoy.

Add Drama and *Delight*

Visual moments elevate the experience — and make memories.

Transform walls, décor and scenic surfaces into storytelling opportunities with **projection mapping.** Reinforce your theme by adding either subtle or bold motion and visual interest without overwhelming the space.

Orchestrate moments that are meant to be felt and remembered with **atmospheric effects.** Enhance entrances and reveals with low-lying fog and add depth and visual drama to lighting with haze. Introduce surprise and celebration during milestones and finales with confetti, snow and bubble effects.

Sound shapes the rhythm of the celebration.

Ensure your soundtrack suits the holiday scene with **Encore Music,** featuring curated playlists aligned to your event goals. With a fully licensed library of thousands of playlists and millions of tracks, create momentum from start to finish with music. Support your DJ or live band set up with the right **speakers** to keep the party going.

Keep your participants connected to the festivities with clear sound and sleek aesthetic presentation from **column speakers,** a smart technology-embedded audio solution ideal for social events and ceremonies.
Want to give presenters the freedom to start a spontaneous dance party? Enable them to move and connect with the audience with wireless **microphones.** Bring up the energy during audience interactions with **Catchbox,** and add a holiday mic wrap to match the vibe of the room.
