

Production Solutions

Blueprinting Your Event Success

SUPERNATURE

The Only Event Partner You Need

Your event should leave a lasting impression, and Encore makes it happen. As your full-service production partner, we bring your vision to life with tailored solutions, managing every detail from start to finish.

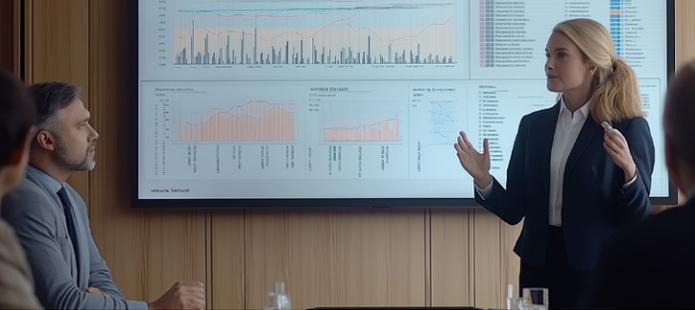

Whether it's a priority VIP event or a multi-day experience, we transform ideas into unforgettable moments. With a single, reliable partner by your side, we handle the complexities so you can focus on what matters most — delivering impact that resonates. We're right there with you on your event journey.

Simplified Planning, Elevated Experiences

We have your back. We understand your challenges and help you find the best solution every time. Our full-service support includes:

- **Main Point of Contact (Producer):** Ensures smooth operations, timely deliverables and seamless team coordination.
- **Event Strategy and Creative Support:** Whether you need design, branding or strategy, we've got you covered.
- **Event Production:** Detailed coordination of all event elements for a smooth experience.
- **Technical Solutions:** Tailored audio, video, lighting solutions and more for maximum impact.
- **Digital Tools:** Tech tools for streamlined planning and enhanced audience engagement, including digital signage, RSVP, Polling+ and Chime Live.
- **Fabrication & Graphics:** Custom engineering, fabrication and printing by our in-house team to support your unique event vision and goals.

Reporting & Results

We debrief to understand ROI/ROE results

Customized Support at Every Step

Our event production process is designed to simplify your responsibilities and reduce stress. With a dedicated, single point of contact, you'll experience a smooth journey from planning through post-event wrap-up.

Our Blueprint for Excellence streamlines your workflow and maximizes your impact.

Your Vision, Our Expertise

No one anticipates your needs like Encore. We note your event preferences, key objectives, budget and beyond, year after year, so we're best prepared to tailor each experience specifically to your vision and needs.

With our team's expertise into the latest event trends and an unparalleled investment in event technology, we create unforgettable events of all sizes and formats — whether it's an immersive experience, a stunning gala or a powerful hybrid conference.

Here's How We Handle the Legwork:

- **Dedicated Production Team:** Serves as your one-stop-shop for full-service support, from start to finish.
- **Local Resources:** Have a last-minute event shift? Staff and support are always close by to fulfill any eleventh-hour needs.
- **Advanced Technology:** Stay ahead of the competition with Encore-specific event apps, our website-builder, content management tools and more.

Let's partner!

Ready to make your event unforgettable? Our production team is ready to support your success.
