

Engagement Solutions

Event Platforms with boundless possibilities:
End-to-End Solutions for In-Person | Hybrid | Virtual

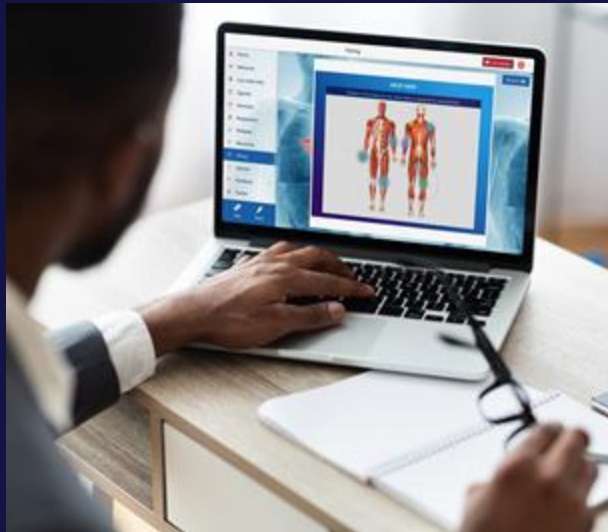

Meetings and Events — Made Easier

Encore is enhancing events with new ideas, innovative tools and platforms that create great experiences, while making it easier than ever to connect everyone, everywhere.

We bring together best-in-class event platforms, creative and production expertise and supporting technologies.

Our expert team members around the globe are ready to help transform your in-person, hybrid and virtual experiences and deliver seamless connectivity for events of any size, location, or complexity.

Together, let's craft the perfect event, fueled by boundless possibilities.

The Encore Difference

End-to-End Event Expertise

Imagine having Creative, Production and Technology solutions fully integrated across your event. Think of the boundless possibilities to seamlessly deliver consistent experiences across geographies, for multiple event types, and from year to year. End-to-end solutions from Encore are a game changer.

Creative

Technology

Platforms

Your strategic partner bringing together the right solutions

- It's our mission to be an invaluable partner on your journey to success.
- Even at the “what if” stage, our strategists and designers work with you to envision the most engaging ways to inspire participants. By utilizing the latest technology solutions, we can help turn those “what ifs” into “why not?”
- From creative, to production, to technology; for in-person, hybrid or virtual, no matter the size, or venue, there's nothing we can't do.

Technology That Connects

Experience extraordinary

Technology can transform an ordinary space into an extraordinary experience — whether it be in-person, hybrid or virtual. Always on the forefront of innovation, we recommend the right on-site and digital technologies to maximize event experiences and connect participants across the globe.

From there, our Encore team members ensure the technology suite supports presenters, delights sponsors and engages your audience in surprising and inventive ways.

On-site Technology

- iPads & Second Screen Devices
- Audio/Video
- Lighting, Power & Rigging
- Simultaneous Interpretation
- Internet
- Technology Installation
- Presenter Support

In-Person, Hybrid and Virtual

- Live, Simulive & On-Demand Streaming
- Event Insights & Reporting
- Pop-Up Stages
- Remote Speaker Kits
- Conference Cameras
- Open & Closed Captioning

Digital Event Solutions

- Mobile Applications
- Content Management
- Attendee Tracking

Elevate Every Event with the Best Platforms

In-Person, Hybrid and Virtual

Creating an event that delivers boundless inspiration, connections and engagement for everyone takes unmatched expertise. Since 2009, Encore has been seamlessly connecting in-person and virtual audiences around the globe.

We've curated a portfolio of best-in-class platforms, selecting partners with deep industry expertise to meet your needs. From self-managed meetings to fully-managed multi-day hybrid conferences and tradeshows, we can help you find the best solution and recommend the right level of support from Encore production and technology specialists.

Even if you already have an event platform, we can consult with you on services to elevate your event.

End-to-End Platform Solutions

Polling+ Q&A

Attendee Engagement

Transform passive audiences into active participants—boosting engagement and enhancing learning. Connect participants with your program through live polls, quizzes, surveys and Q&A pushed directly to their own smart device. Polling+ is easy-to-use, budget-friendly and delivers valuable audience insights – all with support from your local Encore experts

Live Polls & Quizzes

Boost interactivity with real-time live polls and quizzes—perfect for sparking conversation, checking knowledge, and energizing events with multiple choice, ranking, rating, and word cloud formats.

Real Questions. Real-Time Answers

Empower audiences to ask questions and shape the conversation with live Q&A—featuring upvoting, downvoting, replies, and anonymous options to prioritize what matters most in meetings, AMAs, and presentations.

Analytics Dashboard

Enables users to identify audience interests and make informed decisions by viewing, analyzing, and exporting comprehensive event interaction data.

Chime Go™

Full-Service Quick Start Event Site

Get up and running quickly with an affordable event site that brings an added touch of professionalism to your meetings. With Chime Go and Encore experts by your side, feel confident that you can take your event to the next level.

Agenda & Maps

Put your agenda and important details in the hands of onsite attendees so they're informed and ready for what's ahead.

Hybrid Ready

Add embedded on-demand or streaming video to give participants a place to get revved up for your meeting. Extend content accessibility and engagement post-event.

Flexibility

Let us recommend the best configuration of standard or add-on features to achieve your event goals or adapt to market changes.

Chime Live™

Choreographed Engagement

Transform your event with the Chime Live platform, built to drive engagement onsite, online or in-combination. Our full-service solution can be customized to tell your story, highlight what's important and deliver the outcomes you need – before, during and after your event.

In-Person & Remote

Everyone can participate in the session using their own devices, or iPads can be provided to in-person attendees for an enhanced second-screen experience.

Choreographed Event

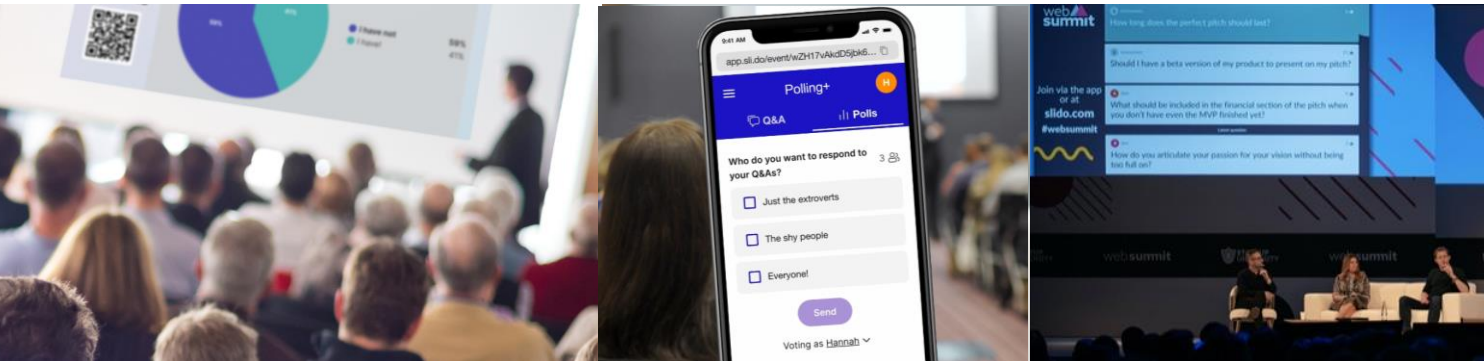

Keep attendees focused on what matters most within the platform by seamlessly pushing slides, triggering interactive polls, Q&A sessions, and more — right on cue.

Personalize Journeys

Create segmented or integrated experiences, including the ability to move online participants to the right sessions.

Connect with Your Audience

Polling+ Q&A

Polling+ Q&A Turns Attendees into Active Participants with Real-Time Polls, Quizzes, and Surveys

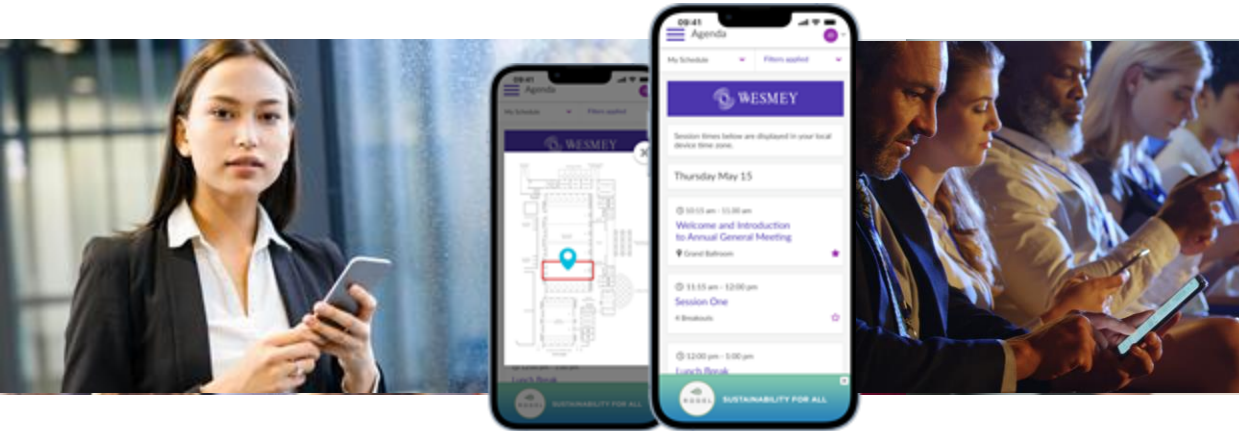

Drive Engagement with Polling, Quizzes and Q&A

Break the ice, take the room's pulse, gather feedback or check learning – Polling+ from Encore connects participants with your program through live polls, quizzes, surveys and Q&A pushed directly to their own smart device.

- Live Polls, Quizzes, Surveys, Q&A
- Local Encore Support
- In-Person, Remote or Hybrid
- Presentation & Video Conferencing Integration
- Open or Secure Events with Privacy Options
- QR Code, URL or Event Code Login
- Analytics Dashboard

Keep Attendees Informed & Engaged

Chime Go™

Chime Go puts your agenda and popular meeting tools in the hands of attendees.

Chime Go for In-Person Meetings

With in-person meetings, it's often the added touches that show participants you appreciate their attendance and want them to have a great experience.

Give them Chime Go to put your event agenda at their fingertips, so they can check what's ahead and where they need to be next.

Your Encore expert will set up Chime Go with your event details and branding. During your meeting, attendees can submit and upvote questions they most want answered.

Participants can also take notes and send to themselves – all from their own devices.

Benefits

- Self-Registration
- Branding and Theming
- Pre-event and On-site Access
- Agenda with Map JPGs.
- Customer-moderated Q&A
- Upvote a Question
- Take Notes & Send to Self
- Up to 10,000 Users
- Works on mobile, tablets and laptops
- Web accessible for screen readers

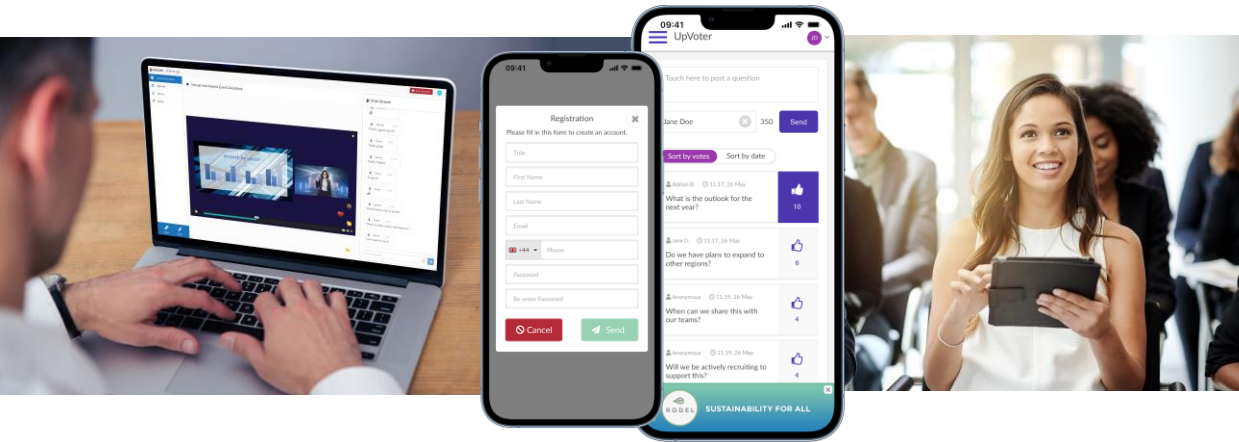

Add-on Options

- Broadcast or On-Demand Video
- Sponsor Banners
- Fundraising Links
- And so much more...

Meet Attendees Where They Are

Chime Go™

Chime Go is an Affordable and Professional Event Microsite ideal for training, fundraisers, town halls, announcements, and much more.

Chime Go for Hybrid Meetings

Get an affordable, branded hybrid site up and running quickly with Chime Go. In addition to the features for In-Room meetings, you can offer remote attendees live or on-demand video streaming with optional chat and sentiment streams. Include links to your video conferencing for breakouts or collaborative sessions too.

Use it before, during and after your event. Chime Go extends the reach and accessibility of your event for greater engagement — live or on-demand. With Encore experts by your side, feel confident that you can take your event to the next level.

Benefits

- Self-Registration
- Agenda with Map JPGs
- Branding and Theming
- Note Taking
- Customer Moderated Q&A
- Platform Analytics
- Web accessible for screen readers

Add-on Options

- Broadcast or On-Demand Video

- Closed Captioning
- Content Development
- And so much more...

Drive Event Engagement

Chime Live™

Chime Live empowers you to tell your story, spotlight what matters most, and create meaningful engagement that resonates with attendees

Chime Live Generates Participation

Our Chime Live engagement platform transforms the in-person, virtual or hybrid experience with a full-service end-to-end solution tailored to your unique event needs.

We customize Chime Live to tell your story and highlight what's important, driving engagement to deliver the outcomes you need — before, during and after your event.

Chime Live delivers seamless connectivity for in-person and online participants for mid-size events anywhere in the world.

Benefits

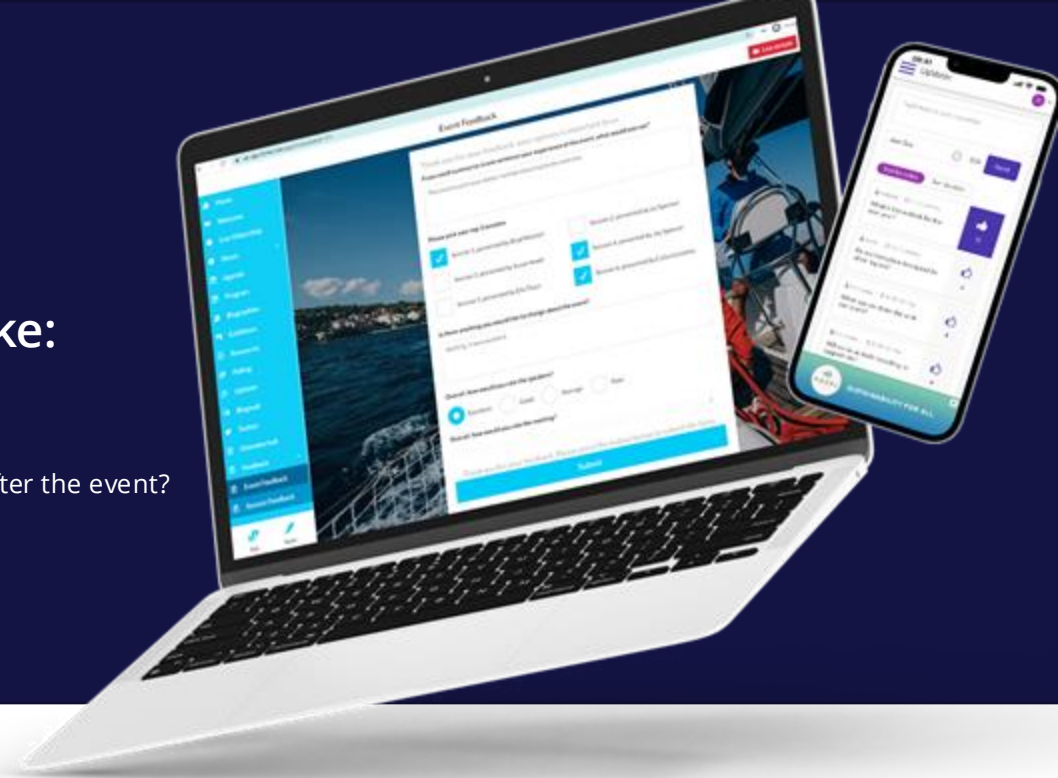

- **Flexible** — Enhance in-person meetings and virtual, hybrid, multi-venue and hub and satellite productions.
- **Set the Stage** — Enhance your platform with branding, design and virtual lobby options
- **Connect** — Broaden accessibility with Wordly AI Translation integration or start conversations in Chime Forums.
- **Inform** — Share important content and resources (e.g. venue information, pre-event reading, post-event knowledge checks and more).
- **Monetize** — Extend the experience and augment event ROI with sponsor and exhibit areas.
- **Encore Service** — Personalized support and expert advice to maximize your event's impact

Let's Chat

Let's collaborate and discuss your objectives, audience participation goals, stakeholders' expectations, desired outcomes and more.

We'll ask a range of questions like:

- Are there learning objectives for participants to achieve?
- What do you want your audience to think and feel?
- Do you need to engage participants before, during and after the event?
