

LEROS Wall + Ceiling Sanders

Perfection from any angle

The lightest, most advanced random orbital sander for walls + ceilings

The award-winning LEROS is designed for comfort and efficiency. Its lightweight, ergonomic build reduces strain on arms and shoulders, while its powerful dust-free performance cuts prep and cleanup time. The large 9" sanding head covers more surface area for faster results, and the long reach makes ceiling sanding possible without ladders. For tighter spaces, the compact LEROS-S is the perfect fit.

KEY FEATURES:

- Lightweight – weighs approximately seven pounds
- Flexible sanding head – swivels to any angle
- 5 mm random orbital movement – provides better surface finish
- Full force system – no need to press
- Dual suction points – provides efficient dust extraction
- Two lengths available – LEROS (57") + LEROS-S (35")

APPLICATIONS:

Construction & Renovation
