# Thermoformed Containers

*Epic by ACR*

The logo for ACR Epic, featuring the lowercase letters 'acr' in a bold, white, sans-serif font inside a dark teal circle, followed by the word 'Epic' in a white, sans-serif font.

Elevate takeout with **Epic** by **ACR** - our latest line of to-go containers! Designed for the modern culinary landscape, these containers perfectly blend style with functionality, adding sophistication to every meal.

- Benefit from the convenience of the super snappy lids that stack easily and vent like a dream
- Enjoy a clear view of your meal with anti-fog innovation to keep your food looking as good as it tastes
- Make a statement with sleek, recyclable black bases that you can pop in the microwave
- Choose your lid style: classic PET or go-for-it-all polypropylene that you can microwave too

Simple, sleek, and super functional - **Epic** by **ACR** is how smart kitchens do takeout.
