Q & A

Why RethinkEd

We're ALREADY Making a Difference Together!

1

MTSS

Streamline systems, simplify processes, and increase capacity to provide data-driven academic, behavioral, and social-emotional interventions that facilitate measurable student success.

2

Behavior

Promote positive behaviors, decrease behaviors that hinder learning, and maximize student and educator success in the classroom with a holistic and data-driven approach.

3

Special Education

Implement innovative, defensible, and evidence-based programs that focus on curriculum interventions targeting academic skills, life skills, social skills, and transitional/vocational skills.

4

Wellness

Promote social, emotional and mental well-being, connectedness and overall success by focusing on skills development and awareness for the entire school community.
