

NavigatED

Support students with Ready-to-Use Tier 2 and Tier 3 intervention curriculum

Schools are seeing a rise in behavioral, emotional, and social challenges that can disrupt learning and limit student success. Districts need a **solution that empowers counselors and interventionists to lead impactful Tier 2 and Tier 3 sessions** with age appropriate, skill building curriculum.

NavigatED equips school counselors and interventionists with small group and one-on-one courses focused on behavior, mental wellness, relationship skills and executive functioning skills. Sessions are paired with facilitator PD and progress monitoring tools to ensure consistent, effective support for the students who need it most.

**Responsibility
for Self and Actions**

**Social
Interaction Skills**

Coping Skills

**Executive
Functioning Skills**

Sense of Self

Tools and resources to meet the needs of:

- ✓ **Facilitators** Spend less time prepping and more time connecting.
- ✓ **Students** Grow skills in a safe, supportive space.
- ✓ **Families** Stay connected with take-home resources that reinforce learning.
- ✓ **Intervention Team** Develop effective intervention plans and track data.

NavigatED brings together student growth and facilitator support to create stronger outcomes

Students

Grow skills with trust and structure

- Welcoming activities create a safe space for learning
- Structured lessons build topic confidence and skill retention
- Developmentally appropriate content ensures relevance and engagement
- Check-ins and reflections encourage self-awareness

Facilitators

Build capacity with ready-to-use courses

- Low to no-prep, curated session plans free up time to focus on student connections
- PD and facilitator guides grow confidence to implement intervention courses
- Progress monitoring tools track growth and guide next steps
- Home letters keep families informed and share tips to encourage learning at home

**Support
that translates
to success**
